Complying with customer needs

In Greek mythology, Pontus was considered a personification of the sea itself. This illustrates very well the thoughts behind Wrist's Pontus product line – being the global market leader in ship supply, we know our customers and their needs.

CARPENTER HAMMER

The Pontus carpenter hammer is produced with the professional user in mind.

It is equipped with a tubular round-faced hardened steel head and comes with a hardwood handle.

The design of the head provides a round-faced end whereas the other end can be used as a nail puller.

- > Maximum relation to weight
- > Polished one rounded face

- > Well-balanced hardwood handle
