CREDIT CARD AGREEMENT

This Credit Card Agreement ("Agreement") is a legal contract between you and FinWise Bank d/b/a Cottonwood Payments ("Cottonwood Payments," "we," "us," or "our"), serviced by Tallied Technologies, Inc. ("Servicer"), for your ADA® Rewards World Elite Mastercard® Account ("Account"). By using your Card or Account, you agree to be bound by the terms of this Agreement.

IMPORTANT: This Agreement contains a mandatory arbitration clause and class action waiver. Please read the arbitration section carefully.

ACCOUNT FEATURES AND YOUR USE OF THE ACCOUNT

Account Information Requirements

We need current and accurate information about you to manage your Account effectively. This includes:

1. your legal name as it appears on government-issued identification;
2. a valid U.S. mailing address and residential address (if different);
3. your date of birth;
4. your Social Security number or Individual Taxpayer Identification Number;
5. your primary telephone number; and
6. your employment status and income information.

You must notify us promptly when any of this information changes by calling Customer Service at 1-888-293-1595 or writing to us at the address provided in this Agreement. We may request additional

documentation to verify changes to your information. We reserve the right to restrict, suspend, or close your Account if we cannot verify your information or if you fail to provide required updates.

1. Personal Use

You may use the Account only for personal, family, or household purposes. Federal and state consumer protection laws may not apply if you use the Account for business, commercial, or other non-consumer purposes.

2. Purchases

You may use your Card to purchase goods or services from merchants that accept Mastercard®, including transactions initiated by mail, telephone, or Internet. You are responsible for all authorized Purchases made with your Account, even if you have not signed a receipt or received written proof of purchase, except as expressly limited by applicable law.

3. Cash Advances

Cash Advances are transactions that provide direct access to credit from your Account. Cash Advances include: cash obtained from ATMs and certain other transactions as determined by Mastercard® or merchant coding. Only a portion of your Credit Limit is available for Cash Advances, and this amount may vary. Contact Customer Service at 1-888-293-1595 to determine your available cash advance limit.

4. Balance Transfers

When we make Balance Transfer offers available, you may transfer balances from other credit accounts to your Account subject to the terms specified in our offer materials. Balance Transfers will be processed according to the terms disclosed at the time of the offer. You may not transfer balances from accounts you have with us or our affiliates. If a requested Balance Transfer would exceed your available Credit Limit, we may process the full amount, a partial amount up to your available limit, or decline the transfer entirely at our discretion.

5. Prohibited Uses

You may not use your Account for: illegal activities; business or commercial purposes; cash advances to pay other credit obligations; purchases of cryptocurrency, foreign currency, or other cash-equivalent items; internet gambling where prohibited by law; or any other uses prohibited by applicable law or Mastercard® rules. We may decline transactions that we believe violate these restrictions.

6. Credit Limit Management

We will establish a Credit Limit for your Account based on your creditworthiness and other factors. Your Credit Limit represents the maximum amount of credit available across all transaction types (Purchases, Balance Transfers, and Cash Advances). We will notify you of your Credit Limit in the online portal and on your monthly statements.

You agree not to exceed your Credit Limit. We may authorize transactions that would cause you to exceed your Credit Limit, but we are not obligated to do so. Authorization of over-limit transactions does not increase your Credit Limit, and you remain responsible for paying all amounts that exceed your limit. We may increase, decrease, suspend, or cancel your Credit Limit at any time without advance notice, though we will notify you of significant changes as required by law.

Your available credit equals your Credit Limit minus your current balance and any pending transactions. After you make a payment, your available credit may not be restored until we verify that your payment has cleared your financial institution.

7. Authorized Users

You may request that we issue additional Cards for persons you authorize to use your Account ("Authorized Users"). You remain fully responsible for all transactions, fees, and charges incurred by any Authorized User, including any unauthorized, fraudulent, or illegal use of your Account by an Authorized User.

If you wish to add/remove an Authorized User, you can manage this by logging in at adamastercard.com and updating your account preferences. Upon your request to remove an Authorized User, we will cancel the Authorized User's Card. You are responsible for retrieving and destroying any Cards issued to the removed Authorized User. We are not liable for any transactions made by a removed Authorized User until we have had reasonable time to process your cancellation request and block the Authorized User's access to your Account.

Authorized Users have no authority to make changes to your Account, receive Account information, or make decisions regarding the Account.

INTEREST CHARGES AND ACCOUNT FEES

8. Variable Interest Rates

Your APRs are variable rates based on the U.S. Prime Rate published in The Wall Street Journal on the 25th day of each month. The specific APRs and margins for your Account are shown in the Interest

Rates and Interest Charges table above. When the Prime Rate changes, your new APR will take effect on your next billing cycle.

9. How We Calculate Interest

We use the average daily balance method (including new purchases) as described in the pricing table above.

Interest Accrual Timing: Interest charges accrue from the transaction date for cash advances and balance transfers. For purchases, if you have been paying your Account in full without interest charges but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. Unpaid interest charges are added to your Account balance.

Periodic Interest Charge Calculation (See the APRs in the Interest and Fees Table): We calculate the interest charge on your Account by applying the periodic rate to the average daily balance on your Account. To get the "average daily balance," we start with the beginning balance each day (to get the beginning balance for the first day of the billing cycle, we take the New Balance at the end of the previous billing cycle and subtract any fees). Each day, we take the beginning balance, add any new purchases, and subtract the portion of any new payments or credits that are applied to the purchase balance. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total of the daily balances by the number of days in the billing cycle. This gives us the "average daily balance." Finally, we multiply the "average daily balance" by the daily periodic rate (the APR on the account divided by 365) and multiply this amount by the number of days in the billing cycle to calculate your "Total Interest For This Period." You are responsible for paying the "Total Interest For this Period," which is shown in the "Transactions" section of your billing statement.

10. Grace Period

When your Account is in an interest-free period, we do not charge interest on new purchases. When you have paid the New Balance shown on your most recent billing statement in full by the payment due date and cutoff time, your Account is in an interest-free period. If you do not pay the New Balance shown on your most recent billing statement by the payment due date and cutoff time, you will lose your interest-free period and we will charge interest on your purchases. You can regain the benefit of the interest-free period by paying your New Balance by the due date and time. When your Account is not in an interest-free period, we will charge you interest on your purchases from the date the purchases appear on your Account until your New Balance is paid in full. There is no grace period for cash advances or balance transfers.

11. Account Fees

The fees for your Account are shown in the Fees table above. Additional fees may include:

- **Duplicate Documentation Fee:** We may charge up to \$5.00 for copies of statements or transaction records (no charge for billing error investigations)
-

BILLING AND PAYMENTS

12. Monthly Statements

We will provide you with a monthly Statement for each billing cycle in which you have a balance, make transactions, or as otherwise required by law. Your Statement will show your account activity, balance information, payment due date, minimum payment due, and other important account details.

Electronic Statement Delivery: By opening and using your Account, you consent to receive your Statements and other account communications electronically unless you specifically request paper delivery. Electronic Statements will be made available through your online account portal and you will receive email notification when each Statement is ready for viewing. We may discontinue paper Statement delivery and provide Statements only electronically with appropriate notice as required by law. If you do not consent to electronic communication, any paper Statements will be sent to you by regular mail to your address as it appears in our records.

Statement Delivery Exceptions: We will not send you a Statement if: (1) your Account is deemed uncollectable; (2) formal collection proceedings have been initiated; (3) your Account has been charged off; or (4) as otherwise prohibited by applicable law. 15. Payment Application

For payment amounts exceeding the Minimum Payment specified in Paragraph 13, we apply payments to balances with the highest APR first, then to balances with lower APRs.

16. Lost or Stolen Cards

If your Card is lost or stolen, or if you suspect unauthorized use, you should first log in at adamastercard.com to lock the card and/or file the lost/stolen report online. You can also contact us at 1-888-293-1595 (available 24/7 online and via the automated phone system). Card can be locked via the automated phone system 24/7. You will not be liable for unauthorized transactions that we determine were not made by you or an authorized user.

17. Using a PIN

We may give you a personal identification number ("PIN"). For security reasons, you may have to provide the PIN before you are able to use your Card. Keep your PIN secure. Do not write it down, give it to anyone, or keep it with your Card. If you lose your Card or believe the confidentiality of your PIN has been compromised for any reason, you must contact us immediately at the number provided on the back of your Card.

18. Your Promise to Pay

By using your Card or your Account, you promise to pay us for all transactions made on your Account, as well as any fees, interest charges or other charges or fees.

19. Disputed Transactions

You must inspect each Statement you receive and must immediately contact us about any errors or questions you have, as described in the "Billing Rights Summary" on your Statement and in this Agreement. You can dispute a transaction by logging in at adamastercard.com. If you do not notify us of an error, we will assume that all information on the Statement is correct. If we credit your Account for all or part of a disputed transaction, you give us all of your rights against others regarding that transaction and will also: (1) give us any information about the disputed transaction, if we ask; (2) not pursue any claim or reimbursement of the transaction amount from the merchant or any other person; and (3) help us get reimbursement from others.

20. Authorizing Transactions

We reserve the right to decline to authorize a transaction for any reason, including but not limited to an account default, suspected fraudulent, illegal or unlawful activity or any indication of increased risk related to a transaction. We do not guarantee approval of any transaction. We are not responsible for any losses resulting from our decision to decline a transaction even if you have available credit on your Account. We reserve the right to limit the number of transactions that may be approved in one day. We may close or suspend your Account if we suspect fraud or illegal activity or for our own business reasons, and we will notify you as soon as possible if we do so. We may refuse to authorize any transaction when your credit card has been reported lost or stolen or when we reasonably believe there may be fraudulent, suspicious, or illegal activity involving the credit card or your Account. If you freeze your credit card, we will stop authorizing card transactions. When we issue you a credit card, it is not activated and cannot be used to make purchases until you activate it.

21. International Use

Your Card is accepted worldwide wherever Mastercard® is accepted. We do not charge foreign transaction fees as shown in the Fees table above.

22. Digital Wallet and Mobile Payments

You may add your Card to digital wallets such as Apple Pay, Google Pay, and Samsung Pay. Complete terms for digital wallet usage are provided in the Digital Wallet section below.

23. Account Monitoring and Transaction Authorization

We employ sophisticated monitoring systems to detect potentially fraudulent or unauthorized activity on your Account. We may decline authorization for any transaction for reasons including but not limited to:

- Suspected fraudulent, illegal, or unauthorized activity

- Transactions that would exceed your Credit Limit
- Account delinquency or default status
- Unusual spending patterns or high-risk merchant categories
- Technical issues or system unavailability
- Compliance with applicable laws and regulations

Even if you have available credit, we do not guarantee a transaction can be authorized. We are not responsible for any consequences, damages, or losses resulting from declined transactions, including but not limited to merchant disputes, missed payments to third parties, or emergency situations.

Daily Transaction Limits: We may impose daily limits on the number and dollar amount of transactions you can make for security purposes. These limits may vary based on your account history, payment patterns, and risk assessment.

Account Security Monitoring: We may temporarily freeze or restrict your Account if we detect suspicious activity. If this occurs, we will attempt to contact you using the contact information on file to verify recent transactions. You may also contact us at 1-888-293-1595 if you believe your Account has been compromised.

Merchant Authorization: Some merchants may place temporary authorization holds on your Account for amounts greater than your actual purchase (common with gas stations, hotels, and car rental companies). These holds will reduce your available credit until the final transaction amount is processed, which may take several days.

International Transaction Monitoring: Transactions attempted in foreign countries or with foreign merchants may be subject to additional security reviews and may be declined unless you notify us of your travel plans in advance.

REWARDS PROGRAM

24. Rewards

Your Account may be eligible for rewards through a program managed by Tallied Technologies, Inc. ("Servicer"). We will tell you in the offer materials the introductory or promotional rate and the period of time during which that rate will be in effect and any conditions or requirements of the offer. Unless the offer materials state otherwise, an introductory or promotional rate will remain in effect until the last day of the billing cycle in which the introductory or promotional rate expires. Any introductory or promotional rate that applies to new or outstanding Account balances will increase to the standard rate that would otherwise apply.

ARBITRATION PROVISION

THE FOLLOWING ARBITRATION PROVISION IS NOT APPLICABLE TO BORROWERS WHO ARE "COVERED BORROWERS" UNDER THE MILITARY LENDING ACT.

This Section sets forth the circumstances and procedures under which Claims (as defined below) shall be arbitrated instead of litigated in court upon the election of either party.

(1) Definitions

As used in this Arbitration Section, the term "Claim" means any claim, dispute or controversy between you and Cottonwood Payments, Tallied Technologies Inc. as Servicer or any of their agents or retailers, arising from or relating to the Card or this Agreement as well as any related or prior agreement that you may have had with us or the relationships resulting from this Agreement, including the validity, enforceability or scope of this Arbitration Section or the Agreement. "Claim" includes claims of every kind and nature, including but not limited to initial claims, counterclaims, cross-claims and third-party claims and claims based upon contract, tort, fraud and other intentional torts, statutes, regulations,

common law and equity. The term "Claim" is to be given the broadest possible meaning that will be enforced and includes, by way of example and without limitation, any claim, dispute or controversy that arises from or relates to (i) your Card or Account; (ii) advertisements, promotions or oral or written statements related to the Card or Account or goods or services purchased with the Cards; (iii) the benefits and services related to the Card or Account; and (iv) your enrollment for any Card or Account. We shall not elect to use arbitration under the Arbitration Provision for any Claim that you properly file and pursue in a small claims court of your state or municipality so long as the Claim is individual and pending only in that court; any appeals from that court shall be pursued only in arbitration. As used in this Arbitration Section, the terms "we" and "us" shall for all purposes mean Cottonwood Payments and Tallied Technologies Inc. as Servicer, and their respective affiliates, licensees, predecessors, successors, and assigns, and all their respective agents, employees, directors and representatives. In addition, "we" or "us" shall include any third party using or providing any product, service or benefit in connection with any Cards (including, but not limited to merchants who accept the Card, third parties who use or provide services, debt collectors and all of their agents, employees, directors and representatives) if, and only if, such third party is named as a co-party with us (or files a Claim with or against us) in connection with a Claim asserted by you. As solely used in this Arbitration Section, the terms "you" or "your" shall mean all persons or entities that have access to or use a Card or Account, including but not limited to all persons or entities contractually obligated under any of the Agreements.

(2) Initiation of Arbitration Proceeding/Selection of Administrator

Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Section and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed. Claims shall be referred to either Judicial Arbitration and Mediation Services ("JAMS") or the American Arbitration Association ("AAA"), as selected by the party electing to use arbitration. For a copy of the procedures, to file a Claim or for other information about these organizations, contact them as follows: (i) JAMS at 1920 Main Street, Suite 300, Los Angeles, CA 92614; website at www.jamsadr.com; and (ii) AAA at 335 Madison Avenue, New York, NY 10017; website at www.adr.org.

(3) Significance of Arbitration

IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM, OR TO ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE CODE OF PROCEDURES OF JAMS OR AAA, AS APPLICABLE (THE "CODE"). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR SHALL NOT CONDUCT A CLASS ARBITRATION OR A JOINT ARBITRATION, EXCEPT AS SET FORTH BELOW. THE

ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

(4) Restrictions on Arbitration

If either party elects to resolve a Claim by arbitration, that Claim shall be arbitrated on an individual basis. There shall be no right or authority for any Claims to be arbitrated on a class action basis or on bases involving Claims brought in a purported representative capacity on behalf of the general public, other cardholders or other persons similarly situated. The arbitrator's authority to resolve Claims is limited to Claims between you and us alone, and the arbitrator's authority to make awards is limited to you and us alone. Furthermore, Claims brought by you against us or by us against you may not be joined or consolidated in arbitration with Claims brought by or against someone other than you, unless otherwise agreed to in writing by all parties.

(5) Location of Arbitration/Payment of Fees

Any arbitration hearing that you attend shall take place in the federal judicial district of your residence. At your written request, we will consider in good faith making a temporary advance of all or part of the filing administrative and/or hearing fees for any Claim you initiate as to which you or we seek arbitration. At the conclusion of the arbitration (or any appeal thereof), the arbitrator (or panel) will decide who will ultimately be responsible for paying the filing, administrative and/or hearing fees in connection with the arbitration (or appeal). If and to the extent you incur filing, administrative and/or hearing fees in arbitration, including for any appeal, exceeding the amount they would have been if the Claim had been brought in the state or federal court which is closest to your billing address and would have had jurisdiction over the Claim, we will reimburse you to that extent unless the arbitrator (or panel) determines that the fees were incurred without any substantial justification.

(6) Arbitration Procedures

This Arbitration Section is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, as it may be amended (the "FAA"). The arbitration shall be governed by the applicable Code, except that (to the extent enforceable under the FAA) this Arbitration Section shall control if it is inconsistent with the applicable Code. The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitations and shall honor claims of privilege recognized at law and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision. In conducting the arbitration proceeding, the arbitrator shall not apply the Federal or any state rules of civil procedure or rules of evidence. The arbitrator shall take reasonable steps to preserve the privacy of individuals, and of business matters. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator's decision will be final and binding, except for any right of appeal provided by the FAA.

However, any party can appeal that award to a three-arbitrator panel administered by the same arbitration organization, which shall consider anew any aspect of the initial award objected to by the appealing party. The appealing party shall have thirty (30) days from the date of entry of the written arbitration award to notify the arbitration organization that it is exercising the right of appeal. The appeal shall be filed with the arbitration organization in the form of a dated writing. The arbitration organization will then notify the other party that the award has been appealed. The arbitration organization will appoint a three-arbitrator panel which will conduct arbitration pursuant to its Code and issue its decision within one hundred twenty (120) days of the date of the appellant's written notice. The decision of the panel shall be by majority vote and shall be final and binding.

(7) Survival

This Arbitration Section shall survive termination of your Card or Account as well as voluntary payment of the debt in full by you, any legal proceeding by us to collect a debt owed by you, and any bankruptcy by you or us. If any portion of this Arbitration Section is deemed invalid or unenforceable under any principle or provision of law or equity, consistent with the FAA, it shall not invalidate the remaining portions of this Arbitration Section, the Agreement or any prior agreement you may have had with us, each of which shall be enforceable regardless of such invalidity.
