

## Annual Christmas Safety Meeting Minutes

The annual Christmas Safety Meeting was held at Bobby's Fisherman's Catch on December 16, 2008, at 6:30 p.m.

Mayor Gary Livingston welcomed guests to the meeting. There were 78 guests attending (see attached list).

Jim Henderson prayed the blessing.

Mayor Livingston introduced the guest speaker Mike McLemore, with McLemore Consulting.

Mr. McLemore spoke on Drug Abuse in the State of Alabama, Morgan County and the Eva Community. He pointed out that there are three things that can happen to someone on drugs 1. they will seek help and get off the drugs, 2. they will get caught and go to jail and 3. they will die if they do not get help. He reported that Eva and Morgan County has a high count of drug and alcohol abuse. He stated that in the Eva area the use of meth and alcohol is way more than the normal use in an area of this size. He informed all that if we should know of and suspect someone of the use to get help as soon as possible, that if we did not know of the services available to call him or send that person to his office and he would offer assistance.

Mayor Livingston thanked Mr. McLemore for his informative speech.
