New Business:

- 1-According to grant, park work has to begin within 120 days of signed agreement. Deadline is July 29 for getting something started.
- 2-Junior went to a sale a few weeks ago and I asked him to look for me a regular desk and typist chair. The table I've been using for a desk is too high, and when I'm doing bookwork, I get back and shoulder cramps. The arms on my chair (Executive chair) get in my way. He found some (like the ones shown below) and went ahead and bought them, paying \$50 for chair and \$90 for the desk. They're in good condition, and it was really a good deal. He said if the council didn't want to reimburse him, he'd donate them.
- 3-Thur., June 15, North Ala. Mayor Meeting-Ronnie Flippo speaker (Madison)
Mon., June 19, Morgan Co. Mayor Meeting-Decatur (boat trip)
