

AGENDA - CALL MEETING - EVA TOWN COUNCIL
June 24, 1989, 1:30 PM

- 1 - Livingston property
- 2 - On Monday's agenda of Morgan County Commission Meeting with Tommy Ed Roberts about industrial development
- 3 - Certificate of Deposit matures June 28; will cease to earn interest if we don't renew it. We must renew it or redeem it by Wednesday.
- 4 - Dr. Turner (dentist) exercised his option of renewing his note to Town of Eva for another 12 months. He needed to get another note paid off and will get with the Council as soon as he can start paying us back. Note is due June 1, 1990 (to begin payments).

Also, Dr. Turner would like to ask permission of the Council to do some redecorating in the Waiting Room at the dental clinic, at his expense. He wants to put in some new carpet and some wall-paper to dress up the waiting room.
