

Minutes of Meeting of Eva Town Council held in special call session on March 14, 1984, attended by Mayor Ryan and all five members of the Council. Eva Vol. Fire Chief E. A. Holmes attended also.

Mayor stated the purpose of the meeting was in regards to acceptance or rejection of the bids on a fire truck; said bids opened at the regular meeting March 8, 1984.

The bids and specifications from each company had been thoroughly studied. From all appearances, the specs from Indiana Fire Apparatus Co. met all those specified by the Eva VED in the letter sent out by the Mayor inviting the companies to bid, and they had the low bid. Chief Holmes wanted assurance from the company that a relief valve was included in the bid; also that they could promise a short delivery time. He called Mr. Verlin Custer, President of Indiana Fire Apparatus Co. and was told that the bid did include the relief valve and that the delivery date would be within 45 to 60 days.

The Mayor dictated a letter for Clerk to prepare to send to Mr. Custer at Indiana Fire Apparatus Co. confirming acceptance of their bid.
