

Meeting of Eva Town Council September 14, 1989, 7 p.m., AGENDA

Fire Chief (proposed budget, etc.)

Old Business

- 1-Any word from Woodruff about the highway signs? Had a person to ask status.
- 2-Any word from National Guard about doing the work at park site?
- 3-Mr. Owens said he'd get out to Eva to set those corners toward end of next week.
- 4-Reply came yesterday from Postal Service, disclaiming our request.
See copy of letter.
- 5-Invitations to bid went out on water lines project (see sheet). Bid opening set for September 20, 4:30 P.M. How many council members can attend?
- 6-Firemen moved flag pole from old town hall to new location. What about the one for Senior Site?
- 7-Clerk delivered copies of the paper to Chambers of Commerce in Decatur, Hartselle, and to Falkville Town Hall. Will deliver some to Chamber of Commerce in Cullman. Who can take some to Huntsville? Where could we put others? Would local businesses like to have a stack?
- 8-Frank Taylor took care of some of the concrete work, and will come out again when we're ready for him to do the work on Hwy 55W and at south end of fire hall.
- 9-To whom should the letter be addressed about the church sign? What church has a sign near Mr. Horton's (Eva Pentecostal ??)?
- 10-Mr. Walker said he'd probably be out here Friday to put in the valve/flange at south corner of fire hall (approved at Aug 15 meeting).
- 11-Duct work at dental clinic could not be fixed; installed window unit.
- 12-Ordinance on trucks not parking in town.

New Business

- 1-Will Town of Eva pay for Barbecue again this year for a "Volunteers" supper at the center? Invite county officials as usual? Oct. 14?
- 2-Donald Ray fixed several lights that were out at the Center today. We're getting Wayne to order a box of 12 of those special bulbs for the Exit signs since they're so expensive to buy one at a time at Hopper's.
- 3-School requests need to be considered so that we will know how much to put in the budget. Copies of requests furnished.
