4. Ruth needs to know if it is all right for her to keep for herself the \$25 cleaning fee since she had to clean up after a reunion recently. The family who had rented the building did not get the deposit back because they didn't clean up after using it, and understands this. Ruth cleaned this time, but she needs to know if something like this occurs again--is it all right for her to hire someone to clean the building and give them the \$25 deposit withheld for the purpose.

5. Dr. Turner has made a final decision about his office hours, and he wants to get that metal sign (formerly Eva Health Clinic sign) repainted and installed out at the highway. He said that he would pay for getting this done if we would let him use the sign. He wants the following on it:

EVA DENTAL CLINIC
 James (Jim) D. Turner, D. D. S.
 Open Mon., Tue., Thur. & Fri. 8-5
 Open Wed. 8-12; Sat. 9-4
 Phone 796-8888

6. We need to get a sign painted for the Yard-of-the-Month program the Art Guild will administer for Town of Eva. Larry's Signs suggests an 18x24" heavy aluminum sign, painted on both sides, on a post that would be easily installed and moved. A rough estimate would be \$85. He said we could have 3 or 4 lines. I think something like this would be okay. Any suggestions?
