

Minutes of Meeting of Eva Town Council held in Call Session on September 25, 1987, at 1 p.m., attended by Councilmen Charles Nichols, Mitchell Hipps, Terrell Livingston and Ray Morgan. Council President Charles Nichols chaired the meeting.

Purpose of the meeting was for bid opening for the proposed addition to Town Hall and Fire Hall. Two bids were received, and both bidders were present (Benny Childers from B&C Construction, Eva, and Bill Wood from Genesis Construction, Decatur.)

Bids were: Childers, B&C Construction \$38,420
Genesis Construction, Bill Wood \$29,300.

There being such a difference in the bids, Council discussed the matter with the bidders. Mr. Childers said that one reason his bid was so high was because he had included in his some repairs on the East Side of the Fire Hall where the corner has dropped and separated from the wall. Being familiar with the building, he knew that this would have to be corrected before it could be bricked.

Since certain materials were not spelled out in the specifications, other cost variances were on the following:

	<u>B&C</u>	<u>Genesis</u>
Interior walls and ceiling	Plywood	Finished sheet rock
Insulation	Walls $3\frac{1}{2}$ " ceiling 6"	$3\frac{1}{2}$ "
Drain	4" fire drain	4" standard

Council told the bidders that we would have to study this a bit further and decide the next step to take about the proposed addition. Motion made by Mr. Livingston to Table any decision for time being, seconded by Mr. Morgan. Carried.

In other action, the Council voted to authorize the Clerk to write a replacement check to Harold Eddleman because the one sent to him on September 11 must have gotten lost in the mail.

Mr. Hipps made the motion, seconded by Mr. Morgan to adjourn.

Bonnie Holmes
Bonnie G. Holmes, Town Clerk
