

Minutes of Meeting of Eva Town Council held in Call Session October 20, 1987, 6 p.m. attended by Mayor Ryan and Councilmen Nichols, Livingston, Hipps and Morgan.

Mayor said the purpose was to go on record about what we should commit ourselves to when we meet later with Mr. Mulder of Hartselle Medical Center.

Mayor told the Council about his findings on the double-wide unit used by two doctors in Big Springs, Texas, for aprx. 3 months until their Clinic could be completed. They (NHI) paid \$35,000 for the unit and it is in good condition. The carpet looks new and the building is in good shape.

Council voted to furnish the land, put in the septic tank, and pave the parking lot. Also, Council would be willing to pay the \$7500 transportation for the building if NHI is willing to let it become the property of Town of Eva and write it off their records after, say, about 5 years. (M: Nichols; S: Hipps; carried)

Bonnie Holmes, Town Clerk
