New Business

1-Senior Citizens would like to have a better sign. Would Town Council vote to pay half if they will pay half? What kind? Like the one where you change letters? They would like to have one with landscaping around it.

2-DCA Ready Mix in Cullman (734-4414) has parking bumpers which we can purchase for the parking lot. They are 7' long, weigh 250# each, have holes for driving rods if you want to anchor them. Hopper's have the rods. They are so heavy that anchoring isn't necessary. Cost is \$14.98 each picked up at the plant. If we buy them, I need to know how many, etc.

I've tried to call Mr. Morris twice to find out the name of the person he recommended to the Mayor; got the answering machine both times. Left word for him to call, or either have the company call, but they never returned the call.

3-Need authorization for the following:

a-To give key to M-PC south door to Brownie Troop Leader.

b-James Ashley to move the Stop Ahead sign just a few feet out of the area where he mows. He has to pick up broken glass, bottles, trash each time he mows, and would like to move it a few feet to an area that is not frequently mowed.

4-Eva Art Guild wants to know if Council will authorize them to use the Center at no charge for their Thanksgiving Supper on November 15 at 7 PM because they want to invite their families.

5-Mayor, Council Members and wives are invited by Eva Senior Citizens to their Thanksgiving Luncheon on Friday, November 18, at noon at the Site.

6-Town of Eva is hosting the Morgan County Mayors/Clerks dinner meeting on Nov. 21, 6:30 PM at Fisherman's Catch. I need to know how many of the Council will be able to attend.

~~7-Bills to be paid (separate sheet)~~

7. Adopt resolution authorizing Mayor to write Attorney General for opinion about donating money to schools.

8. Jerry Lee, Ruth and Rosemary Livingston have given petition to Town Clerk asking that aprx 80 acres which they own that joins the corporate limits north of Frost Road be brought into city limits of Eva. Clerk will take petition to Dub Hicks to get Cullman Co. signature because of the 50x50 plot where the pump is located. Need to adopt ordinance at next meeting to accept this annexation.
