

Minutes of Meeting of Eva Town Council held in call session with Mr. Dale Mulder, Administrator of Hartselle Medical Center, November 3, 1987. Attending from Town of Eva were Mayor Ryan, Councilmen Nichols, Morgan and Hipps.

Mr. Mulder said that on paper, for accounting purposes, he will have to "pay" for the double-wide unit if the Town would like for it to be set up out here for use as the Eva Clinic. Mr. Mulder said that HMC wants to continue their involvement in Eva, and the Town Council wants the Clinic to remain here.

Mayor Ryan passed around some photos taken of the building in question, saying that he had inspected this double-wide unit in Big Springs, Texas, and that it looks to be in good shape. After discussions, the parties voted on the following:

Town of Eva will pay:

\$20,000 for land purchase on which  
to put the building  
\$ 7,500 (est.) for transporting it  
here  
for site preparation  
for certain modifications  
for having it set up  
for putting lead in walls  
for X-ray room

Hartselle Medical Center will:

Provide some good radiology equipment  
for X-ray  
Equip the unit with a good lab for doing  
more work at the Clinic here.  
Provide full-time physician or physicians.  
In five years, write the building off their  
books and let it become the property  
of the Town of Eva.

Mr. Mulder said that he will have a new agreement between Hartselle Medical Center and Town of Eva drawn up for his and the Mayor's signatures.

Bonnie Holmes, Eva Town Clerk
