While assembled, the Mayor told the Council that Friday, May 11th will be Dr. Kuruvilla's last day to be associated with the Eva Medical Clinic. After the Mayor talked to Dr. Kuruvilla he called Steve Dean and ask him to contact his superiors to see if we could get their interest in the Eva clinic. The Council decided to continue to pursue their interest in the clinic. (M:Charles;S:Donald Ray;Carried)

A letter was read from the Morgan County Emergency Management Chairman asking all cities and towns to give them the authority to control naming and numbering of present and all future buildings including residences. In order to exercise this authority, there must be a resolution established to govern new building sites.
