

Eva Town Council Meeting March 10, 1988

Old Business:

- 1-Hydrant bid was let to Walker's Corner USA who refigured his bid a 200# pipe for total bid of \$15,513.75 versus Doyle's bid of \$15,706.51.
- 2-No word from County on street signs?
- 3-School landscaping project and playground equipment?
- 4-Clinic situation?
- 5-No further word on mail routes.
- 6-AAA Pest Control Bid @ \$45/month would cover Town Hall, Community Center and Library, with no initial fee for inspection of Center. If we wanted to add the two clinic buildings in @ \$10 each, fee would run \$65/month. This would cover mice, rats, bugs, etc. Contact is Doug Niblett at 734-1874 (AAA).
- 7-Mats for Center ?
- 8-Roads and Streets?

New Business:

- 1-Request to subscribe to NFPA's Magazine FIRE Command @ \$17.50/year for Eva VFD. They dropped the subscription to FIRE CHIEF since the quality of the articles had dropped. Note in the mail folder on this.
- 2-Bill Woods, President of Genesis Construction Co. called this week to ask if the Council had come to any decision about the addition to the fire department. He said that he would be glad to come out and make some cost-saving suggestions if the Council wanted him to. He would, of course, like to submit a bid if we re-open the issue. Also, Keith Cobbs (796-5070) would like to submit a bid if we re-open the issue.
- 3-Dale from Dale's Lawn Care & Service came by the office yesterday to ask if Mr. Millwood is planning to do our lawn care this year. I told him that as far as I knew, he would. I've tried to call Mr. Millwood, but haven't gotten an answer. Dale would like to submit a bid if Mr. Millwood isn't going to do our work this year.
- 4-I've had two complaints about the ugly extension to the Eva Tire building; saying it has ruined the looks of downtown Eva. Is there anything the Council can do about asking him to dress it up a little?
