MAYOR
Kent Chambers
TOWN CLERK
KIMBERLY CRYER

Work Session
October 1, 2026

The work session of Eva Town Council was held on 1 October at 5:30PM at Eva Town Hall.
Present: Mayor Kent Chambers, Council Members, Martin Nelson, Wes Stephens, Ron Ryan, Teri Bailey, Shelia Dudley, Kimberly Cryer Town Clerk, Alex Baker Assistant Clerk.
Guests: Joe Hill

- Mayor Chamber discussed the sewer ordinances and asked Joe Hill, sewer maintenance, to help explain the ordinances. Joe Hill stated that the first thing that needs to be fixed on the ordinance is where it says if you take ownership of your pump, you will get a water discount. Joe Hill stated that we have nothing to do with water and it needs to read sewer. Joe Hill suggested that the Town should own everything and continue to fix the pumps if they go out. He explained that this would save the Town from future problems such as people not buying the correct pumps and the sewer lines backing up causing issues for the Town. Joe Hill also said he thinks there should be a tap fee for people wanting to tap into the sewer. The council all liked this idea and agreed that the ordinance needs to be updated. Mayor Chambers asked Joe Hill to get with Kimberly Cryer, Town Clerk, to help with the ordinance and what needs to be changed and then get it over to the town lawyer to look over it.
- Mayor Chambers discussed that we need a storage building to store all the towns and libraries' decorations. The council discussed the quote from Yoders woodworks and requested a new quote with no window and a roll up door added to be able to store larger decorations. Councilmember Stephens asked where the building would go and Mayor Chambers stated that he thought behind Town Hall where there is already a sidewalk in place from the old dentist office. The council all liked this idea and agreed to put it on the agenda for the council meeting.
- Mayor Chambers discussed the quotes for getting the Multipurpose Center and Ballfield parking lots patched, sealed, and striped and that it would need to be done soon or it will have to wait until spring. The council all agreed and discussed that it needs to be planned out with Morgan County Commission on Aging and the travel ball teams that use those facilities. The council agreed to put this on the agenda for the council meeting.
- Mayor Chambers discussed the quote for a keypad lock at the multipurpose center to make it more convenient to unlock when it is rented on the weekends. The council agreed to put this on the agenda for the council meeting.
- Mayor Chambers discussed the multipurpose rental agreement and asked the council their thoughts on what Kimberly Cryer had come up with for it. The council all liked the rental agreement and application. Mayor Chambers asked to add in "no

vaping” in big letters as well since it has become so popular. Councilmember Stephens requested that it says no Tobacco and vaping products. The council agreed to put this on the agenda for the council meeting.

- Mayor Chambers stated that Town paid for employees, deputies, and inmates to eat at Frontier Days and that he was not aware that the Town did this. Councilmember Nelson stated that the Town has been doing this for as long as he can remember. Councilmember Stephens said that if it is something the Town has always done, he sees no reason for changing it. Joe Hill stated that he has been helping with Frontier Days for 17+ years and that he has done it by himself at times and said that offering free lunch is an incentive for people to want to help. The Council agreed to keep it like it has always been. Joe Hill also suggested getting two dumpster next year because of the amount of trash there was this year. Mayor Chambers told Kimberly Cryer, Town Clerk, to make note of that.
- Mayor Chambers announced that he will have a truck/booth set up at the trunk or treat at the Medical Clinic on October 30 starting at 5:30pm if any of the Council would like to be apart of it.
