

*This guideline helps us create your editorial feature in Beaches COVERED. Please supply as much information as possible. The more detail you provide, the better we can tell your story.*

## WORD COUNT GUIDE

Beaches COVERED. has an allocated word count for your booked space.

- **Full Page Editorial:** up to 450 words
- **Double Page Spread Editorial:** up to 850 words

If you are supplying approved final copy, please ensure it adheres to the allocated word count above.

If Beaches COVERED. is creating the editorial content, please supply as much information as possible. The final editorial will be written to align with the word count indicated above.

Beaches COVERED. will create the headline and introduction for your editorial.
