

Fencing Operative

About us

Hooper Services is a long-established family run business, which was started in 1988. Our company is committed to providing the ultimate Award Winning grounds maintenance and tree surgery services for all customers throughout Devon and the South West, regardless of size. We believe in traditional values and the need to build good relationships with our all clients offering outstanding quality and service.

About you

You will need to be a self motivated and driven person, with an understanding of all aspects of ground maintenance or willing to learn and pick it up fast! An eye for detail and an ability to work to the highest of standards are essential. Working in the ground maintenance sector is a physically demanding job, you must be able to keep up with the fast pace this role requires. An understanding of Health & Safety is necessary and you need to be willing to undertake company training as required.

Job summary

As a fencing operative, you will report to your team leader every morning. The day will start by loading tools, equipment and materials needed for the days work ahead. You will travel to site in the work vehicle alongside your team leader. Jobs will entail the use of various hand and power tools to erect different types of metal or timber fencing and gates. At all times you will work in a diligent manner following instructions from your team leader. All aspects of H&S will be adhered and a polite and courteous manner will be shown to all clients and colleagues. At the end of the day you will return to the company premises where your vehicle will be unloaded and tidied for the following day. The position is physically demanding but does come with the added benefit of working alongside great people and everything good that comes with working in the great outdoors!
