# ENVIRONMENTAL POLICY 2026

## STATEMENT

Hooper Services SW Ltd recognises the need to protect the environment and continually aims to reduce the negative inputs & impacts on the environment by its activities. To achieve this they will:

### ESTABLISH SOUND ENVIRONMENTAL MANAGEMENT BY:

- Meeting or improving upon relevant legislative, regulatory and environmental codes of practice
- Developing objectives that target environmental improvements and monitor performance by regular review.
- Consider environmental issues in the decision making process.
- Developing a relationship with suppliers and contractors so that we all recognise our environmental responsibilities.
- Educating staff so that they carry out their activities in an environmentally responsible manner.
- Promoting an appreciation of the company's environmental performance among customer, employees and the general public

### PROVIDE FOR THE EFFECTIVE USE OF RESOURCES BY:

- Advising customers on the efficient use of energy and other utilities.
- Promoting waste minimisation by recycling or finding other uses of by-products whenever economically viable.
- Promoting waste minimisation by recycling or finding other uses of by-products whenever economically viable.
- Promoting the efficient use of resources, energy and fuel throughout the company's operations.
- Provide information for the company's products to be properly used, stored and disposed of so as to avoid unacceptable effects on the environment.

### CO-OPERATE WITH:

- The communities in which we operate.
- The government, regulatory bodies and other interested parties with the shared vision of being a good and trusted neighbour.

A handwritten signature in black ink, appearing to read "SAM HOOPER".
