

technical data

battersea

Composition: 91% Linen, 9% Hemp on non-woven backing.

Weight: 480 grams per linear metre.

Width: 137cm

Roll Length: supplied by the metre (cut lengths available).

Fire Rating: ASTM E84 adhered Class A and Euroclass fire rated B.
Suitable for all areas of residential and non-residential buildings.
Equivalent to class 0 & 1.

Light Fastness: Minimum 4 out of 8 to ISO-105 B Method 1 Standard.

Surface Treatment: Surface treatment applied in production to give resistance against stains and splashes.

Cleaning: If splashed, the surface treatment will cause any contaminant to form surface droplets. These can then be removed by gentle blotting with absorbent material.

The wallcovering can be vacuumed on a regular basis.
