**at a glance**

## Key benefits

### Education

Gather insights and new ideas through inspiring sessions and quality workshops.

### Team Experience

Turn the event into a fun and team-building trip for your entire UX crew!

### Fair Pricing

We offer modular tickets and group discounts for larger teams.

### No ordinary Conference

The UX Nordic is made with passion and an eye for every single detail. From our speakers, workshops, the evening program, the venue to the food – we aim to offer you an immersive experience of the highest quality.

### One of the largest

As one of the largest UX events in Europe, you will benefit from our ability to attract world-class speakers and create a social program for all senses.

our 2023 Aftermovie](#)

## Revolutionary Learning for Real-World Impact

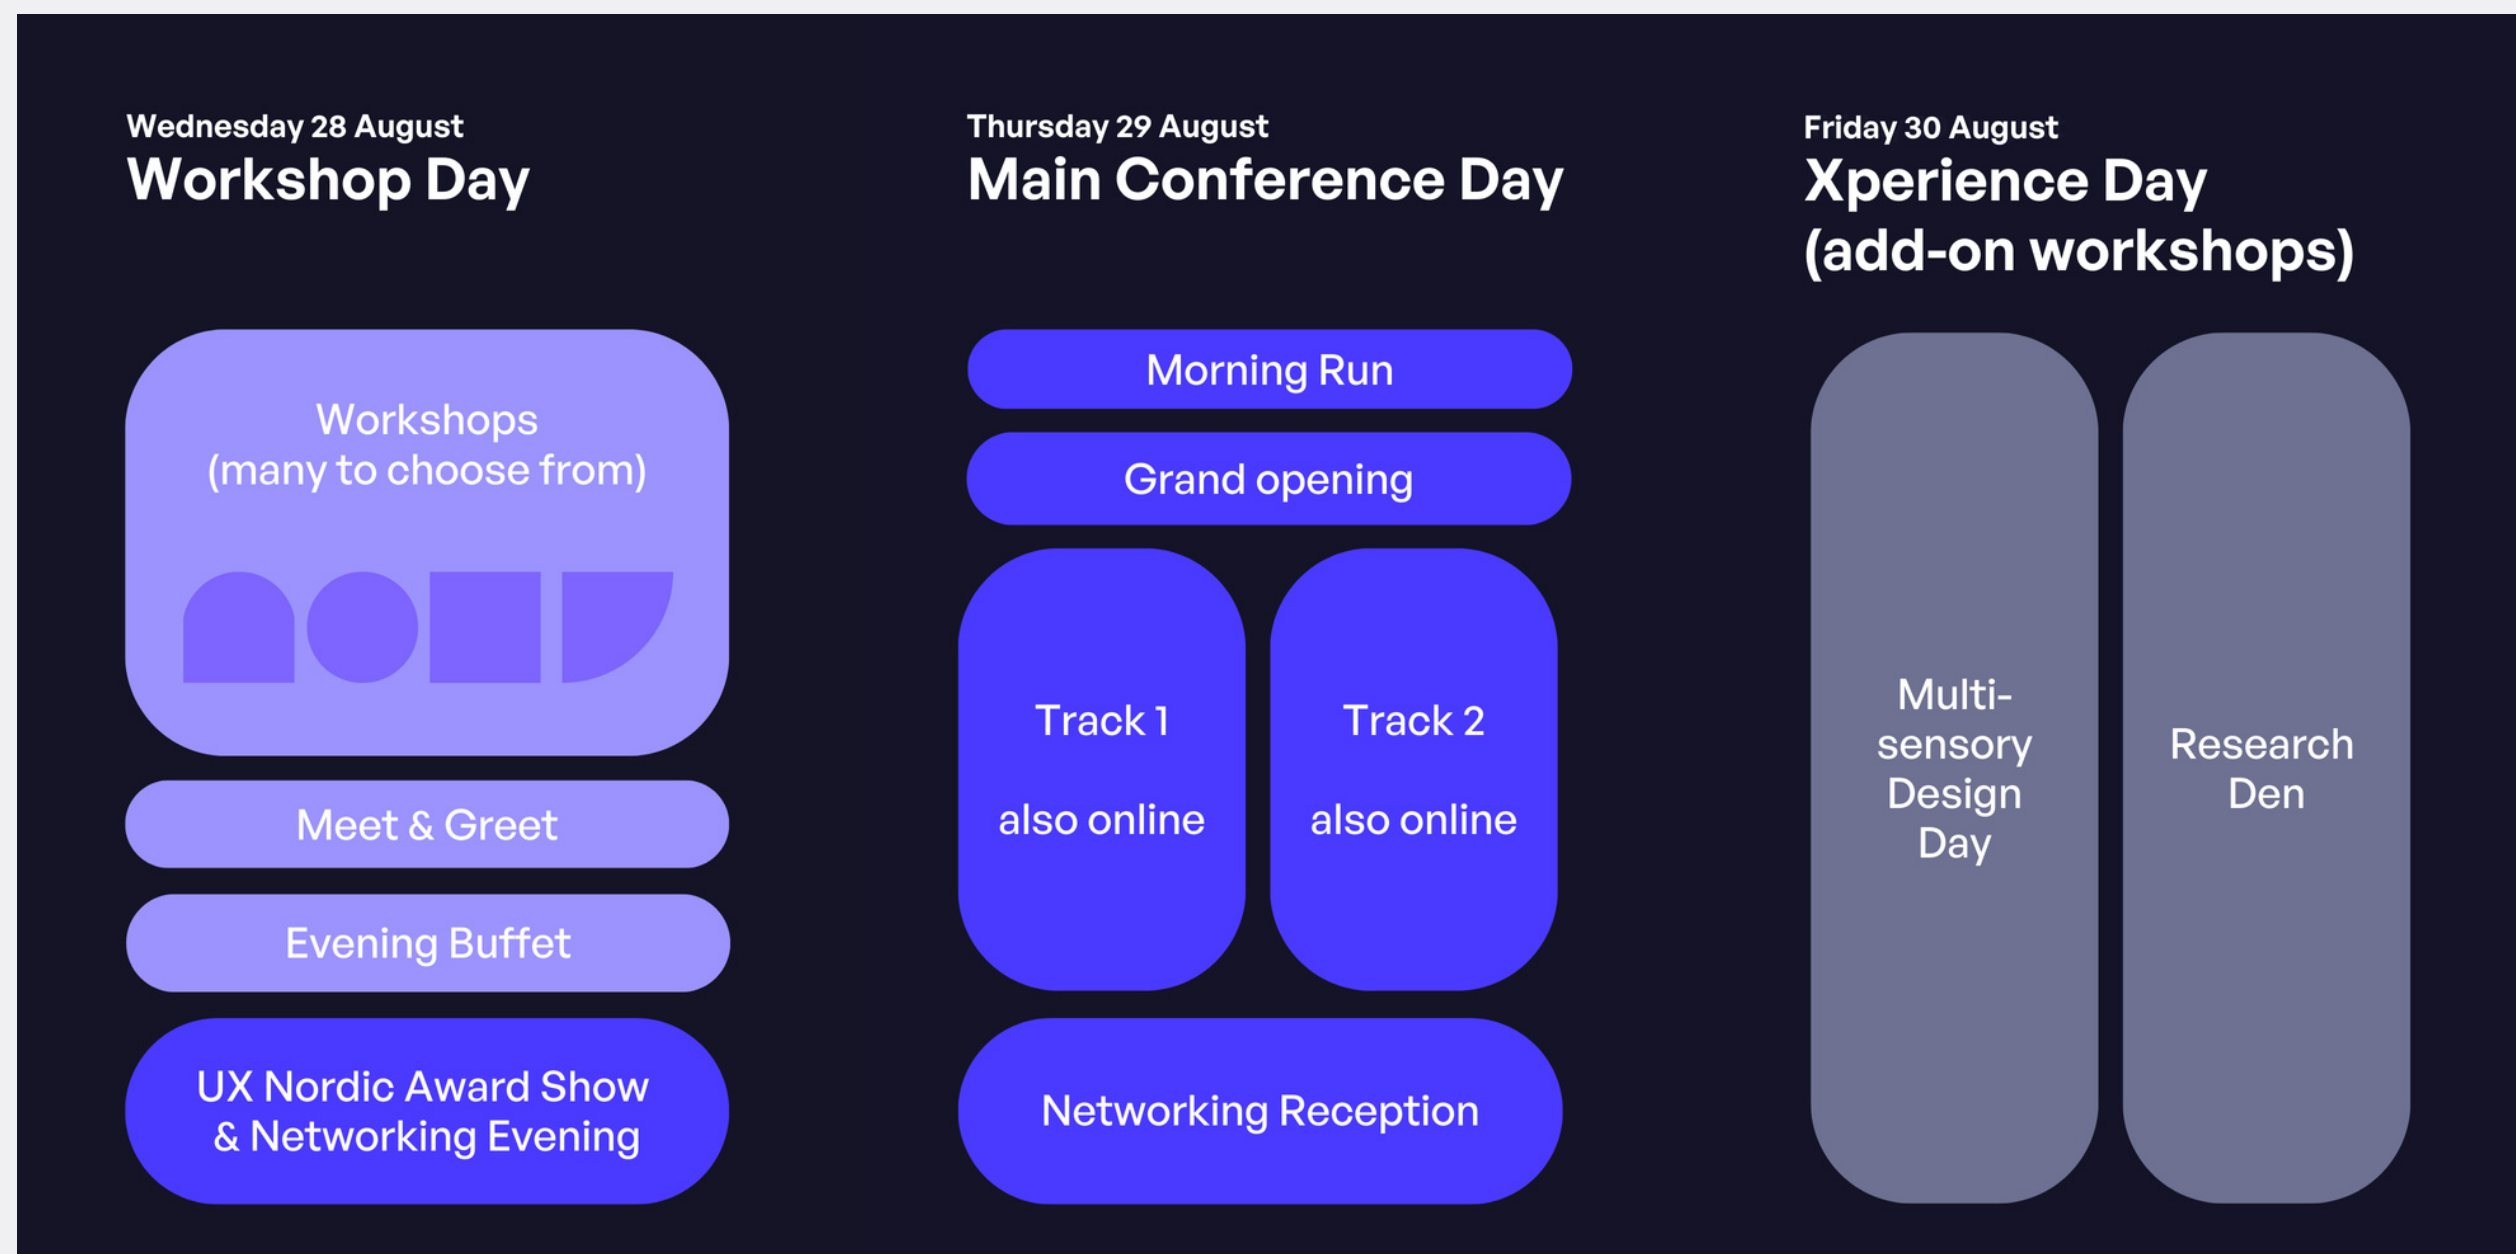

We meticulously select our workshops and speakers to ensure that your team gains not just knowledge, but actionable insights and cutting-edge techniques. These sessions are led by top-tier UX experts, ensuring your team is learning from the best and can bring back practices that set new standards in your industry.

## Industry Leaders on Stage

As one of Europe's leading UX conferences, UX Nordic features a lineup of renowned speakers and thought leaders. This is a chance for your team to gain insights from the forefront of UX design, bringing back knowledge that keeps your organization ahead of the curve.

## Dedicated Support

We help you with all of your questions or special requirements. From planning your trip, finding the right accomodation to accessibility related queries - our team is ready to support you.
