About

FUEL Pizza got jump started in 1998 by a few guys from New York that craved really good pizza but couldn't find a slice anywhere in Charlotte. They needed REAL pizza made with the finest mozzarella, vine-ripened tomatoes and the highest-quality fresh ingredients. Unable to find the perfect pizza, they decided to do it themselves. Fortunately, they found a funky 1930's gas station on Central Avenue and FUEL Pizza was born.

FUEL is powered by an energetic team of hard-workers that deliver REAL Pizza, Perfect Wings, Fresh Salads and Tasty Sandwiches to all of their guests.

FUEL Pizza is seeking space to accommodate a full-service restaurant with table service and cocktail bar.

Site Criteria

- Seeking 2,000 - 3,500 SF
- Seeking within all areas of Charlotte MSA
- End Cap space with a patio preferred
- 2nd generation preferred but can build from a shell
