Tenant Profile

ABOUT

Resveralife is a unique retail brand that believes in offering customers a healthy lifestyle experience inspired by all five senses - sight, touch, smell, taste and sound. They believe in celebrating health from the inside out.

Resveralife's modern, yet warm, boutique offers well known lifestyle brands that promote an active and healthy way of living through diet, exercise, rejuvenation and spiritual wellness. Products include luxury candles, soaps, aromatherapy oils, facial care, body care, functional tea bar and more.

The idea of this concept is to represent beauty and health in one experience. Resveralife's stores are unique with a very different shopping experience where there is interaction. Each station in the store will be set up to reflect each one of the 5 senses for a unique shopper experience.
