About

This is not your typical dentist. Pearl is dentistry reimagined, an oral cosmetic boutique with transformative, restorative, and general services. The ambiance is relaxed. The setting is designer chic. The technology is cutting-edge. Gone is the fear and anxiety that is traditionally associated with going to the dentist. The team at Pearl is committed to you. Your health, your smile, your comfort, and your convenience are at the core of what they do. A five-star experience at an affordable, in-network price. In addition to extraordinary dental care, Pearl Dentistry creates smile makeovers through botox, veneers, and Invisalign®.

Pearl currently has three convenient locations and is seeking expansion opportunities in Charlotte's urban core.

Site Criteria

- Seeking 1,800 - 2,500 SF retail space
- Ground-level with great signage
- Looking in South End, SouthPark, and Ballantyne
- Strong visibility, density, and demographics
- 10-year term with options
- Immediate timing

Dr. Jenny Gandhi
Founder

Dr. Jenny is the founder of Pearl and the heart and soul of the practice. She started Pearl in 2015, committed to changing people's perception of going to the dentist. Dr. Jenny is passionate about connecting with clients on a personal level and developing relationships with each individual. She strives to educate her clients so they understand their diagnosis and can be a part of the plan versus being told what to do. She has a natural affinity for all things cosmetic when it comes to transforming smiles whether it's veneers, Invisalign, whitening or bonding. Her ultimate goal for each client is to be preventative for the longevity of teeth. Dr. Jenny is one of the top Invisalign providers in the region, reaching an "Invisalign Platinum" status based on the 500+ patients whose smiles she has straightened with Invisalign.

Dr. Jenny graduated from the University of Georgia where she earned her B.S. in Biology. She then went on to receive her D.M.D. from Nova Southeastern University in Florida.

When Dr. Jenny is not practicing dentistry, she enjoys running, cooking, traveling, and spending time with her two daughters, dog, and husband.
