About

Welcome to remix Salon, where cutting-edge style, decor, trends, and music create an environment with the highest level of guest satisfaction and artist-guest collaboration. They aim to make guests feel like they're in the hottest place in town; a high-end luxury space with a rock and roll edge, an atmosphere focused on minimalism by incorporating natural woods and metal works.

Thorough consultations, stylists take the time to meet and exceed haircare needs. At remix Salon, the staff is trained in all aspects of hair and customer service, supported by continuous education. Led by Britt Dion, Artistic Director Aveda North America, Styling, the team stays ahead of trends and delivers top-notch service. They focus on both guest and staff satisfaction, offering competitive pay and growth opportunities to ensure a positive and special experience for everyone.

Britt Dion
Owner

With her impeccable styling work seen on runways, on celebrities, and on editorials photoshoots, Britt Dion is one of the most sought-after stylists within the Aveda network. A lead and supporting stylist at New York, London, and Milan Fashion Weeks, Dion has been a part of the teams behind looks for top designers including Elie Tahari, Carolina Herrerria, Nautica, Badgley Mischka, Brandon Maxwell, Phillip Lim, and more. Based in North Carolina, Dion spent 15 years building the team at Dolce Lusso as Director of Education for their six locations, developing a longstanding 30 week Education program. Dion has more than twenty years' experience behind the chair and is truly a multi-faceted artist. In addition to being a talented stylist, she is an Aveda Professional educator for hair color, and an on-air talent, providing expert beauty commentary during live broadcasts. Dion is often featured in publications including Allure, Real Simple, Byrdie & Women's Health to name a few. As North America Artistic Director, Styling, Dion will teach advanced styling courses across North America, develop educational curriculum and visual content, collaborate on regional trend forecasting, and much more.
