About

FCIG Global is an independent insurance agency specializing in tailored risk management solutions for individuals and businesses. With a team of over 30 experts, the firm offers a full range of personal, commercial, specialty, and health insurance services. Their offerings include coverage for auto, home, business, and industry-specific needs, along with group and individual health plans. Headquartered in North Carolina and Connecticut, FCIG Global serves clients nationwide with a focus on personalized service and long-term protection. Through a consultative approach and industry expertise, the agency is committed to helping clients safeguard their assets and achieve peace of mind.
