MARKET OVERVIEW

LAKE TOXAWAY NORTH CAROLINA

The largest private lake in North Carolina has 14 miles of shoreline at 3,010 feet elevation. Stream-fed waters from high in the Nantahala and Pisgah National Forests makes it one of the cleanest lakes you'll find. It's located between Brevard and Cashiers on US Highway 64. Explore the lake by kayak, canoe, paddleboard or the evening cruise on Miss Lucy. Since the turn of the century, people have been drawn to Lake Toxaway including the Fords, Edisons, and Rockefellers.

Lake Toxaway is in the "Land of the Waterfalls," where many hiking trails and gorgeous cascades, including at nearby Panthertown Valley, Gorges State Park and Toxaway Falls are located. Explore quaint downtown Brevard with galleries, local shops, great restaurants and local brews.
