Medicare Part D Notice

Important Notice from Radiology Partners, Inc. About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Radiology Partners, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Radiology Partners, Inc. has determined that the prescription drug coverage offered by the Radiology Partners Inc. Health and Welfare Plan including coverage under the Anthem medical plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your Radiology Partners, Inc. coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Since the existing prescription drug coverage under Radiology Partners Inc. Health and Welfare Plan, including Hawaii HMSA and Health Plan of Nevada and Sierra Health and Life coverage is creditable (e.g., as good as Medicare coverage), you can retain your existing prescription drug coverage and choose not to enroll in a Part D plan; or you can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your Radiology Partners, Inc. prescription drug coverage, be aware that you and your dependents can only get this coverage back at open enrollment or if you experience an event that gives rise to a HIPAA Special Enrollment Right.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Radiology Partners, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Radiology Partners, Inc. changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [medicare.gov](https://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [socialsecurity.gov](https://www.socialsecurity.gov), or call them at 800-772-1213 (TTY 800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, refer to your plan documents to see which of the deductibles and coinsurance apply to your benefits. If you would like more information on WHCRA benefits, call your plan administrator at (424) 290-8004.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator at (424) 290-8004.

HIPAA Notice of Privacy Policy and Procedures

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. This notice is provided to you on behalf of the Company about the Plan. It pertains only to health care coverage provided under the Plan.

The Plan's Duty to Safeguard Your Protected Health Information

Individually identifiable information about your past, present, or future health or condition, the provision of health care to you, or payment for the health care is considered "Protected Health Information" ("PHI"). The Plan is required to extend certain protections to your PHI, and to give you this Notice about its privacy practices that explains how, when and why the Plan may use or disclose your PHI. Except in specified circumstances, the Plan may use or disclose only the minimum necessary PHI to accomplish the purpose of the use or disclosure.

The Plan is required to follow the privacy practices described in this Notice, though it reserves the right to change those practices and the terms of this Notice at any time. If it does so, and the change is material, you will receive a revised version of this Notice either by hand delivery, mail delivery to your last known address, or some other fashion. This Notice, and any material revisions of it, will also be provided to you in writing upon your request (ask your Human Resources representative, or contact the Plan's Privacy Official), and will be posted on any website maintained by the Company that describes benefits available to employees and dependents.

You may also receive one or more other privacy notices, from insurance companies that provide benefits under the Plan. Those notices will describe how the insurance companies use and disclose PHI, and your rights with respect to the PHI they maintain.

How the Plan May Use and Disclose Your Protected Health Information

The Plan uses and discloses PHI for a variety of reasons. For its routine uses and disclosures it does not require your authorization, but for other uses and disclosures, your authorization (or the authorization of your personal representative (e.g., a person who is your custodian, guardian, or has your power-of-attorney) may be required. The following offers more description and examples of the Plan's uses and disclosures of your PHI.

Uses and Disclosures Relating to Treatment, Payment, or Health Care Operations

Treatment: Generally, and as you would expect, the Plan is permitted to disclose your PHI for purposes of your medical treatment. Thus, it may disclose your PHI to doctors, nurses, hospitals, emergency medical technicians, pharmacists and other health care professionals where the disclosure is for your medical treatment. For example, if you are injured in an accident, and it's important for your treatment team to know your blood type, the Plan could disclose that PHI to the team in order to allow it to more effectively provide treatment to you.

Payment: Of course, the Plan's most important function, as far as you are concerned, is that it pays for all or some of the medical care you receive (provided the care is covered by the Plan). In the course of its payment operations, the Plan receives a substantial amount of PHI about you. For example, doctors, hospitals and pharmacies that provide you care send the Plan detailed information about the care they provided, so that they can be paid for their services. The Plan may also share your PHI with other plans, in certain cases. For example, if you are covered by more than one health care plan (e.g., covered by this Plan, and your spouse's plan, or covered by the plans covering your father and mother), we may share your PHI with the other plans to coordinate payment of your claims.

Health care operations: The Plan may use and disclose your PHI in the course of its “health care operations.” For example, it may use your PHI in evaluating the quality of services you received, or disclose your PHI to an accountant or attorney for audit purposes. In some cases, the Plan may disclose your PHI to insurance companies for purposes of obtaining various insurance coverage. However, the Plan will not disclose, for underwriting purposes, PHI that is genetic information.

Other Uses and Disclosures of Your PHI Not Requiring Authorization

The law provides that the Plan may use and disclose your PHI without authorization in the following circumstances:

To the Plan Sponsor: The Plan may disclose PHI to the employers (such as the Company) who sponsor or maintain the Plan for the benefit of employees and dependents. However, the PHI may only be used for limited purposes, and may not be used for purposes of employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the employers. PHI may be disclosed to: the human resources or employee benefits department for purposes of enrollments and disenrollments, census, claim resolutions, and other matters related to Plan administration; payroll department for purposes of ensuring appropriate payroll deductions and other payments by covered persons for their coverage; information technology department, as needed for preparation of data compilations and reports related to Plan administration; finance department for purposes of reconciling appropriate payments of premium to and benefits from the Plan, and other matters related to Plan administration; internal legal counsel to assist with resolution of claim, coverage and other disputes related to the Plan’s provision of benefits.

To the Plan’s Service Providers: The Plan may disclose PHI to its service providers (“business teammates”) who perform claim payment and plan management services. The Plan requires a written contract that obligates the business associate to safeguard and limit the use of PHI.

Required by law: The Plan may disclose PHI when a law requires that it report information about suspected abuse, neglect or domestic violence, or relating to suspected criminal activity, or in response to a court order. It must also disclose PHI to authorities that monitor compliance with these privacy requirements.

For public health activities: The Plan may disclose PHI when required to collect information about disease or injury, or to report vital statistics to the public health authority.

For health oversight activities: The Plan may disclose PHI to agencies or departments responsible for monitoring the health care system for such purposes as reporting or investigation of unusual incidents. Relating to decedents: The Plan may disclose PHI relating to an individual’s death to coroners, medical examiners or funeral directors, and to organ procurement organizations relating to organ, eye, or tissue donations or transplants.

For research purposes: In certain circumstances, and under strict supervision of a privacy board, the Plan may disclose PHI to assist medical and psychiatric research.

To avert threat to health or safety: In order to avoid a serious threat to health or safety, the Plan may disclose PHI as necessary to law enforcement or other persons who can reasonably prevent or lessen the threat of harm.

For specific government functions: The Plan may disclose PHI of military personnel and veterans in certain situations, to correctional facilities in certain situations, to government programs relating to eligibility and enrollment, and for national security reasons.

Uses and Disclosures Requiring Authorization

For uses and disclosures beyond treatment, payment and operations purposes, and for reasons not included in one of the exceptions described above, the Plan is required to have your written authorization. For example, uses and disclosures of psychotherapy notes, uses and disclosures of PHI for marketing purposes, and disclosures that constitute a sale of PHI would require your authorization. Your authorizations can be revoked at any time to stop future uses and disclosures, except to the extent that the Plan has already undertaken an action in reliance upon your authorization.

Uses and Disclosures Requiring You to Have an Opportunity to Object

The Plan may share PHI with your family, friend or other person involved in your care, or payment for your care. We may also share PHI with these people to notify them about your location, general condition, or death. However, the Plan may disclose your PHI only if it informs you about the disclosure in advance and you do not object (but if there is an emergency situation and you cannot be given your opportunity to object, disclosure may be made if it is consistent with any prior expressed wishes and disclosure is determined to be in your best interests; you must be informed and given an opportunity to object to further disclosure as soon as you are able to do so).

Your Rights Regarding Your Protected Health Information

You have the following rights relating to your protected health information:

To request restrictions on uses and disclosures: You have the right to ask that the Plan limit how it uses or discloses your PHI. The Plan will consider your request, but is not legally bound to agree to the restriction. To the extent that it agrees to any restrictions on its use or disclosure of your PHI, it will put the agreement in writing and abide by it except in emergency situations. The Plan cannot agree to limit uses or disclosures that are required by law.

To choose how the Plan contacts you: You have the right to ask that the Plan send you information at an alternative address or by an alternative means. To request confidential communications, you must make your request in writing to the Privacy Official. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. The Plan must agree to your request as long as it is reasonably easy for it to accommodate the request.

To inspect and copy your PHI: Unless your access is restricted for clear and documented treatment reasons, you have a right to see your PHI in the possession of the Plan or its vendors if you put your request in writing. The Plan, or someone on behalf of the Plan, will respond to your request, normally within 30 days. If your request is denied, you will receive written reasons for the denial and an explanation of any right to have the denial reviewed. If you want copies of your PHI, a charge for copying may be imposed but may be waived, depending on your circumstances. You have a right to choose what portions of your information you want copied and to receive, upon request, prior information on the cost of copying.

To request amendment of your PHI: If you believe that there is a mistake or missing information in a record of your PHI held by the Plan or one of its vendors, you may request, in writing, that the record be corrected or supplemented. The Plan or someone on its behalf will respond, normally within 60 days of receiving your request. The Plan may deny the request if it is determined that the PHI is: (i) correct and complete; (ii) not created by the Plan or its vendor and/or not part of the Plan's or vendor's records; or (iii) not permitted to be disclosed. Any denial will state the reasons for denial and explain your rights to have the request and denial, along with any statement in response that you provide, appended to your PHI. If the request for amendment is approved, the Plan or vendor, as the case may be, will change the PHI and so inform you, and tell others that need to know about the change in the PHI.

To find out what disclosures have been made: You have a right to get a list of when, to whom, for what purpose, and what portion of your PHI has been released by the Plan and its vendors, other than instances of disclosure for which you gave authorization, or instances where the disclosure was made to you or your family. In addition, the disclosure list will not include disclosures for treatment, payment, or health care operations. The list also will not include any disclosures made for national security purposes, to law enforcement officials or correctional facilities, or before the date the federal privacy rules applied to the Plan. You will normally receive a response to your written request for such a list within 60 days after you make the request in writing. Your request can relate to disclosures going as far back as six years. There will be no charge for up to one such list each year. There may be a charge for more frequent requests.

How to Complain about the Plan's Privacy Practices

If you think the Plan or one of its vendors may have violated your privacy rights, or if you disagree with a decision made by the Plan or a vendor about access to your PHI, you may file a complaint with the person listed on the first page of these notices. You also may file a written complaint with the Secretary of the U.S. Department of Health and Human Services. The law does not permit anyone to take retaliatory action against you if you make such complaints.

Notification of a Privacy Breach

Any individual whose unsecured PHI has been, or is reasonably believed to have been used, accessed, acquired or disclosed in an unauthorized manner will receive written notification from the Plan within 60 days of the discovery of the breach.

If the breach involves 500 or more residents of a state, the Plan will notify prominent media outlets in the state. The Plan will maintain a log of security breaches and will report this information to HHS on an annual basis. Immediate reporting from the Plan to HHS is required if a security breach involves 500 or more people.

Contact Person for Information, or to Submit a Complaint

If you have questions about this Notice please contact the Plan's Privacy Official or Deputy Privacy Official(s). If you have any complaints about the Plan's privacy practices, handling of your PHI, or breach notification process, please contact the Privacy Official or an authorized Deputy Privacy Official.

Organized Health Care Arrangement Designation

The Plan participates in what the federal privacy rules call an "Organized Health Care Arrangement." The purpose of that participation is that it allows PHI to be shared between the members of the Arrangement, without authorization by the persons whose PHI is shared, for health care operations. Primarily, the designation is useful to the Plan because it allows the insurers who participate in the Arrangement to share PHI with the Plan for purposes such as shopping for other insurance bids.

HIPAA Notice of Special Enrollment Rights

If you decline enrollment in Radiology Partners, Inc. health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in Radiology Partners, Inc. health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 30 days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 30 day timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in Radiology Partners, Inc. health plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan. Any other currently covered dependents may also switch to the new plan in which you enroll.

Continuation Coverage Rights Under COBRA

You're getting this notice because you recently gained coverage under a group health plan (the Plan). **This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plans, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);

- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a “dependent child.”

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within the COBRA Qualifying Event Period from the qualifying event. Provide this notice to the COBRA Plan Administrator.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the Plan Administrator. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

Keep Your Plan Informed of Address Changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Notice of Nondiscrimination

Radiology Partners, Inc., including its Medical Plans, complies with applicable Federal civil rights laws, including Section 1557 of the Affordable Care Act (Section 1557). Radiology Partners, Inc. does not discriminate on the basis of race, color, national origin, age, disability, or sex. Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility—

Notice of Exchange

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.^{1,2}

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution - as well as your employee contribution to employment-based coverage - is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Radiology Partners, Inc.		4. Employer Identification Number (EIN) 86-0898056	
5. Employer address 2330 Utah Ave #200		6. Employer phone number (424) 290-8004	
7. City El Segundo	8. State CA	9. ZIP code 90245	
10. Who can we contact about employee health coverage at this job? Human Resources			
11. Phone number (if different from above)		12. Email address	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
☐ All employees. Eligible employees are:

- ☒ Some employees. Eligible employees are:

Teammates working an average of 30 hours or more per week

- With respect to dependents:
☒ We do offer coverage. Eligible dependents are:

- Legally married spouse (including same sex spouse) / registered domestic partner
- Your children / step-children up to age 26 regardless of student or marital status
- Your domestic partner's children up to age 26
- Your tax dependent children / step-children of any age, if they are incapable of self-support due to disability

- ☐ We do not offer coverage.

- ☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

NOTICE REGARDING WELLNESS PROGRAM

The employee wellness program is a voluntary program administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you may be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the HRA or to participate in medical examinations.

However, teammates who choose to participate in the wellness program may qualify for an incentive. Although you are not required to complete a HRA or medical examinations, the wellness program may specify that only teammates who do so will qualify for the incentive. Additional incentives may be available for teammates who participate in certain health-related activities or achieve certain health outcomes.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Human Resources.

A message from Human Resources: If you have a health factor that makes it unreasonably difficult or medically inadvisable for you to achieve the requirements of this program to qualify for the incentive/s, please contact Human Resources (Wendy Cheng, Email: chengw@ausrad.com, or Phone: 512-795-5100, ext. 5693) and we will work with you &/or your physician to develop an alternative. The purpose of this program is to promote health and prevent disease by alerting ARA teammates to potential health risks. This program is confidential and HIPAA compliant. Protected Health Information will only be collected in aggregate form in order to design programs for the purpose of addressing ARA's overall risk/s. Any information shared will not be disclosed except in accordance with HIPAA laws.

If you choose to participate in a HRA, information from your HRA will be used to help you better understand your current health and potential risks and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program may use aggregate information it collects to design a program based on identified health risks in the workplace, the wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources.
