Health Plan of Nevada

Understand your pharmacy benefits

Find out if your prescriptions are covered.

Pharmacy network
A group of pharmacies contracted with Health Plan of Nevada to offer you greater savings.

Preferred drug list
A list of covered medications, organized into cost levels, called tiers. Some restrictions may apply. Visit **HealthPlanofNevada.com** to view our drug list.

Fill your prescriptions.

Retail pharmacy
Show your health plan ID card at any Health Plan of Nevada network retail pharmacy.

— OR —

Mail order* or specialty pharmacy
Order certain medications and get them delivered to your door.

Your plan may require one or more of the following before you can fill your prescription:

Step Therapy
Trying one medication before another will be approved.

Prior Authorization
Approval to get a medication to ensure it's the most appropriate, medically necessary option.

Quantity Limits
For safety reasons, get a certain amount of each prescription.

Your health plan covers a 90-day supply of medication through local Walgreens pharmacies. Restrictions apply. To learn more, visit **HealthPlanofNevada.com**.
