

Beta Partner Program Overview

We're inviting a select group of forward-thinking sales teams to join our Beta Partner Program. This is your chance to help shape a next-generation sales enablement tool—CallJune.AI—while gaining early access, strategic insight, and long-term advantage.

What We're Offering

- Free Access — No cost for 60 days while you prove ROI.
- Hands-on Setup — Salesforce integration + workflow tuning.
- Direct Product Influence — Help shape June's future features.
- Early-Adopter Pricing — Lock in best pricing after pilot.

What We're Asking From You

- Field Team Requirements: At least 6 active reps using Salesforce CRM, basic CRM access, and one point-of-contact (Sales Leader or RevOps).
- Feedback & Participation: Complete two surveys, join up to 2 feedback calls, and provide usage data for tuning accuracy.
- Testimonial & Reference: If successful, provide a testimonial and occasional reference calls with future prospects.

Timeline

Week 1–2	Setup + Onboarding
Weeks 3–6	Active Use + Weekly Check-ins
Week 7	Midpoint Sync
Week 9	Final Debrief

Privacy & Data Handling

- Your data is yours — never used for training.
- No raw audio stored in Salesforce; deleted after summary confirmation.
- Built on SOC 2 Type II-compliant platforms with token-based, revocable integrations.

The Spirit of this Program

This isn't a contract-heavy engagement. It's a high-trust, high-impact partnership. We're builders who've spent decades in sales, and we want to build something you'll be proud to say you helped shape.

If you're ready to move fast, allocate resources, and experiment with us, we'd be honored to have you on board!
