# APRIL SPECIAL • 2026

## FACIAL OF THE MONTH

---

### NANO NEEDLING REJUVENATION FACIAL

Experience professional Nano Needling designed to improve skin texture, tone, and overall radiance. Plus, receive a complimentary full-size IMAGE DAILY PREVENTION™ Clear Solar Gel SPF 30 to protect and maintain your results at home (\$50 value).

### WHY YOU'LL LOVE IT:

- Nano needling is a non-invasive skin treatment that creates microscopic channels in the epidermis to enhance serum absorption and stimulate superficial skin rejuvenation.
- The process supports smoother texture, improved tone, and a brighter, more even complexion.
- The result? Healthier, firmer, glowing skin that continues to improve in the weeks following treatment.

**PRICE: \$115 (\$125 VALUE)**

Book your April glow today and invest in skin that looks healthy, radiant, and protected.
