NEWSLETTER - MARCH

MARCH: A MONTH OF REFLECTION AND GROWTH

March brings spring, a time to grow,
With warmth and light, our hearts will glow.
We remember Guru Sahib's teachings true,
To live with kindness in all we do.
Let's be like our Guru Sahib, strong and kind,
Sharing love and peace, with an open mind.

IMAGINE, INNOVATE, INSPIRE

MESSAGE

A MESSAGE TO OUR SIKH ACADEMY FAMILIES

Wishing you a wonderful March! Spring break is around the corner we have planned a fun and exciting Spring Camp for them! Additionally, registrations for K-8 are now open for the next school year! There are limited spots.

As we continue the school year, we appreciate your support in fostering a positive and caring learning environment. Please ensure your child dresses warm during this season.

All updates will be shared via email, WhatsApp, our website, and Instagram.

Thank you for being part of the Sikh Academy community!

HOLLA MOHALA GREETINGS

Holla Mohala is a special time when we celebrate bravery, courage, and being kind to others. Lets come together and remember the great teachings of Guru Gobind Singh Ji. During Holla Mohala, our students will display strength with Gatka, and learn how to be strong in both body and spirit. Let's celebrate with love, happiness, and a sense of togetherness. Holla Mohala is all about learning and growing into good, strong people.

On March 11, there will be a special assembly in the Gurdwara Sahib and then a Gatka demonstration by Sikh Academy students in the gymnasium. Proceeded by Langar - donations for langar are encouraged.

PROGRAMS UPDATE

GATKA PROGRAM

Gatka - Sikh Nartial Arts. We are providing this program at no additional cost to our students. We have had a profound response to the program and soon will grow it to accomodate more students.

CAFETERIA PROGRAM

Conceptualized by taking inspiration from culture, environment, and our students' mental and physical health, our chef creates delicious and nutritious meals for our students.

AFTERSCHOOL CLUBS

Widely encouraged at Sikh Academy, this form of learning continually creates a multitude of opportunities for our students. Enroll in our clubs today! We will be starting a coding program in the coming weeks!
