Thank you for your support in fostering a caring and inclusive school community.

School Uniform Reminder

All students are expected to attend school in proper school uniform on all regular school days, except on Be Yourself Wednesday. Please also note that the current school uniform will continue for the next academic year. Parents are kindly requested to place uniform orders in advance to avoid any inconvenience.

Uniforms are available for purchase at the school only on Friday

Earthquake Preparedness

In the case of an earthquake, students and staff are trained to follow the Drop, Cover, and Hold On procedure. Regular safety drills are conducted to ensure preparedness and a calm, organized response during emergencies. Parents are requested to allow school safety protocols to be followed at all times.

Thank you for your cooperation and continued support in keeping our school community safe

Limited seats available. Registration is on a first-come, first-served basis.

Please contact the school office to secure your child's spot.

Health & Wellness Reminder

To help keep our school community healthy, we kindly ask parents to keep students at home if they are unwell. If a student has symptoms such as fever, cough, vomiting, or flu-like signs, rest at home is essential for recovery and for the safety of others.

Students who are returning after illness or have mild symptoms may wear a mask if needed. We continue to encourage frequent handwashing and good hygiene practices throughout the school day.

Thank you for your cooperation and continued support in keeping our school community safe and well.

Weather & School Closure Updates

In the event of inclement weather, weather-related alerts and school closure notifications will be communicated via email.

Parents are kindly asked to monitor their email for updates.
Thank you for your cooperation.
