May Newsletter 2026

Dear Parents and Guardians,

As we step into the month of May, we reflect on a successful and vibrant start to the spring term. From our recent Science Fair to ongoing classroom learning, our students continue to demonstrate enthusiasm, creativity, and a strong commitment to their growth.

May will be a busy and exciting month at Sikh Academy. With Sports Day, classroom activities, and continued academic focus, students will have many opportunities to learn, participate, and develop both academically and personally. We encourage families to stay engaged and support their children in making the most of these experiences.

We remain committed to maintaining high standards in student discipline, safety, and well-being, while continuing to strengthen our academic programs, including our IB implementation and school growth initiatives.

As the saying goes, "April showers bring May flowers," and we look forward to seeing our students continue to grow and flourish.

Thank you for your continued trust, cooperation, and support. Together, we are shaping confident learners and responsible individuals, ready for tomorrow.

Sincerely,

Sikh Academy Administration

Health & Wellness Reminder

To help keep our school community healthy, we kindly ask parents to keep students at home if they are unwell. If a student has symptoms such as fever, cough, vomiting, or flu-like signs, rest at home is essential for recovery and for the safety of others.

Students who are returning after illness or have mild symptoms may wear a mask if needed. We continue to encourage frequent handwashing and good hygiene practices throughout the school day.

Thank you for your cooperation and continued support in keeping our school community safe and well.
