Dear Praying Partner

2025 is gone and 2026 is well underway. As I spoke at Church yesterday I had the revelation that its already March. My how time seems to fly by. June will be here before we know it and we will be celebrating the One Year Anniversary for Way of the Cross Baptist Church. *We want to give you our warmest and deepest thanks for your generosity in giving and praying.* It's through your giving and praying that we have the ability and strength to continue going forward here in NYC. **Please continue praying!**

January brought brutal cold weather and lots of snow. The infrastructure here in NYC is much more setup for large amounts of snow, but twice this year already we had so much snow that schools were canceled. We started the year and month off by beginning our afternoon services. Our first weekend we had The Lords Supper in our afternoon service. In January we had to cancel one Sunday Morning service due to getting a foot of snow and temps being down in the single digits. In January we had our first business meeting as a church. This gave me a great opportunity to share with everyone the vision that God has given me for the church this year. I'm so thankful for the response of everyone. **Please pray that all that are part of the church will share in my vision and want to be involved as much as possible.** We have a great core group of people that are faithful to Way of the Cross, and it's incredible to see God growing them and maturing them in their walk with God. Also in January we had a work day and many came and helped us get the platform completed in the Church.

In February we had our first annual Valentines Banquet. This gave us a great opportunity to fellowship with our folks in a non traditional church setting. We had Italian Food (Jamie and I cooked) and the kids had Pizza. We had great attendance with more than 20 people coming and sharing in the fun of the night. Brother Michael Mauro from Solid Rock Baptist Church sacrificially came over from NJ to be our speaker for the night. He delivered a great thought about "Loving those God has Loaned Us". Later in February we got the opportunity to baptize 3. David started coming to Way of the Cross with his two children right after the assassination of Charlie Kirk. He had put his faith in Jesus last year but needed a church home for him and his family. They have been faithful ever since. Vincent and Jenny both put their faith in Jesus early in January at our Communion Service. Both Jenny and Vincent are a part of the Teen Bible Study that brother Kanon Bloom started, and now I lead on Wednesdays. **Would you pray for these teens?** We are super excited about Resurrection Sunday coming up soon. **Please pray for us and our efforts to outreach to the folks of Fresh Meadows NYC.**
