“You Only Said Amen Once!”

While attending a missions conference in Missouri, we enjoyed some wonderful preaching, singing, and fellowship! Now, if you know me, you know I can get a little excited during preaching. After a few days, I thought perhaps I should tone down my “Amens” a little. Well, after one service, a father and his son approached me and said, “Bro. Frazer, my son decided to count how many times you said Amen tonight, and you only said it ONCE!” I laughed and told him, “Well, I guess I’ll have to make up for it tomorrow night!”

Coming right off our Bridgeport Crusade and into missions conference season, these past two months have been busy and, at times, exhausting. Yet, we have so much to say “Amen” about! We are thankful for the Lord’s strength and for the many churches that have refreshed and encouraged our family along the way.

September Update

We began September in Carthage, Missouri, where we enjoyed wonderful fellowship, made new friends, and learned so much. From there, we traveled to Massachusetts and Connecticut.

While in Connecticut, I had the opportunity to spend a day in Bridgeport with my Pastor, David Townsley, and Pastor Pete Montoro, looking into several potential meeting places for City Baptist Church. Although many of the leads I had gathered seemed to be closed doors, the day proved incredibly valuable. Both pastors helped me better understand what to look for, what questions to ask, and how to approach our search more realistically. I am thankful for their wisdom and investment in this work!

We finished the month traveling through New Jersey, Tennessee, Virginia, and Alabama, sharing our burden and enjoying the fellowship of God’s people.

October Update

October began with two missions conferences in upstate New York, where we had opportunities to preach, fellowship, and help assemble Scriptures with Northeast Baptist Seedline.

Due to an unexpected opening in our schedule, we were able to attend our sending church one Sunday morning. Little did we know what the Lord had planned! A young lady my wife had previously invited to church and led to the Lord was now faithfully attending with her boyfriend. That morning, I had the opportunity to speak with him about his desire to help struggling children and families with his career as a social worker. As our conversation turned to the Gospel, I opened the Bible and explained how only Christ can truly change a life. Praise the Lord, he bowed his head and trusted Christ as his Saviour! They are continuing faithfully in church and attending the new believers’ class.

The following week in Corning, New York, the Lord gave us another opportunity! A young lady had brought her boyfriend to church, and the Lord particularly burdened my heart for him. Through His providence, we ended up sitting across from one another during fellowship time following the service, and after a conversation about salvation, he also trusted Christ as his Saviour! What a privilege it is that God allows us to have a part in His work!

We also attended the Save New England Conference in Rhode Island, where our family was loved on and Leah and I were encouraged by helpful sessions, practical discussions, and the shared burden for reaching New England with the Gospel.

From there, we attended a missions conference in Massachusetts with a church that had previously helped during our Bridgeport Crusade. It was a joy to fellowship with them again! We concluded our travels in Virginia, preaching and presenting our burden at a new church plant.

City Baptist Church Startup Fund
As we approach the launch of City Baptist Church, we have established a designated startup fund through BIMI to help cover the expenses of getting the church started. This fund will allow churches and individuals who would like to invest in the work to give toward future building needs, equipment, and other startup projects.

If you would like to contribute, checks can be made payable to BIMI, with ***"Frazer – 1703 – Startup"*** written in the memo line. These gifts will be set aside specifically for startup expenses, separate from our regular monthly support.
We are excited to see how the Lord will provide as we prepare to establish City Baptist Church in Bridgeport!

Praises & Prayer Requests

- **43% of Our Support Raised!** Praise the Lord! We are now at approximately 43% of our monthly support goal! Of the 12 meetings we attended over the past two months, 10 churches have partnered with us financially. Several others have expressed plans to begin supporting us in January. We are excited to see how the Lord continues to provide!
- **Two Souls Saved!** Praise the Lord for the two young men who trusted Christ as their Saviour! Please pray for their continued spiritual growth and faithfulness to the Lord.
- **Preparing for City Baptist Church!** We are now approximately one year away from our anticipated launch! My future assistant pastor and I have been working together to prepare for the start of the church. Please pray that God would give us wisdom in our decision-making, help us recognize things we can take care of now, and guide us as we lay the groundwork for the ministry.
- **A Meeting Place in Bridgeport.** Please continue praying that the Lord would direct us to the right facility for City Baptist Church.
- **Strength and Safety.** Pray for our family as we continue traveling on deputation and preparing for the work ahead.
