More than a membership

We're the neighborhood reimagined

Where shared spaces turn into shared moments. Where the daily rituals of community start over a morning cup of coffee in the lounge and continue into a sunset pickleball match on the courts. Where your toughest competition is also your best friend.

And, with over 30 locations from Seattle to San Diego, your membership opens doors to resort-like destinations where you always feel right at home.

➔ **At Bay Club, you're not just joining a membership—you're crafting a community rich with moments that matter. Because belonging isn't a perk; it's the foundation.**

Include All Your Favorite People

Life is better shared

Gone are the days where family is defined by tradition, a household, or even a last name. That’s why we created Shared Membership—to leave behind the notion that any one idea of “family” can define your unique community. Whether it’s with loved ones, friends, neighbors or coworkers, you can tailor your membership to include up to ten people, so you can spend less time finding a shared meeting place and more time enjoying the company.

Built for your lifestyle.
Designed for your community.

**However you define wellness—
whether through vigorous
workouts, mindful practices,
or social connections—we have
the spaces and programs to
support your journey.**

We know that modern life is a balancing act, that’s why we give you the spaces and amenities that reflect your needs. Our innovative Campus model grants you access to a network of clubs within driving distance of one another, spanning fitness centers, sports resorts, swim and tennis clubs, and even golf and country clubs. This versatility allows you to blend premium quality with everyday comfort, seamlessly integrating wellness into your life.

Strengthen your foundation

Expand your horizons

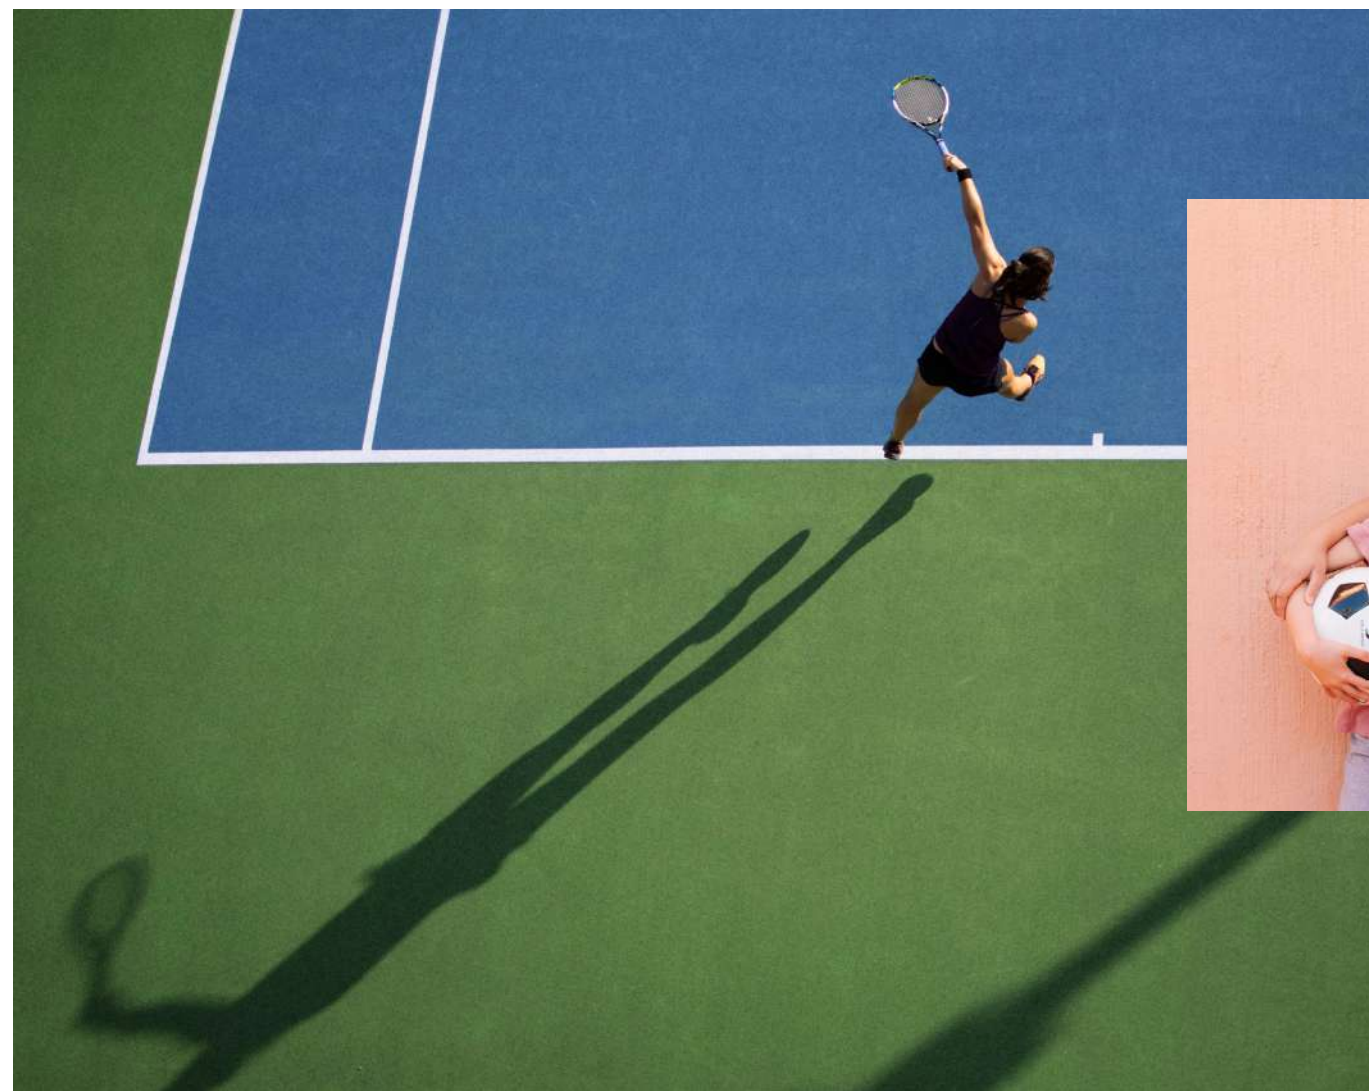

We've blended premier facilities with the top equipment in sports, fitness, and recovery, and paired them with the resources needed to help you excel.

CREATE ————— *lasting* ————— MEMORIES

Bay Club is your all-day playground. Our diverse amenities span from complimentary morning coffee and state of the art classes to tennis courts, poolside lounges and curated dining options.

We're all about gentle nudges toward growth and providing the path to get there. Our instructors, leagues, and programs meet you where you are—no pressure, just possibilities. And because life doesn't pause, we've built care into every age. From on-site childcare and teen sports clinics to co-working spaces and active-aging strength classes, we're here to help you thrive, year after year.

Where you belong

Our campus brings together neighbors and friends who share more than just a love for fitness—we're a community of families creating lasting memories, fresh air enthusiasts finding their next personal adventure, and individuals weaving wellness into everyday life.

MARIN

Marin

Perfecting the Marin Lifestyle

Poised between the peaks of Mount Tam and the sparkling waters of the San Francisco Bay, our Marin Campus embodies NorCal’s quintessential blend of outdoor adventure, competitive recreation and mindful living. From serene experiences to family-friendly spaces, our campus offers a welcoming community for those who embrace an active lifestyle while cherishing balance and connection with the outdoors, wellness and loved ones.

At Bay Club, we get what makes Marin special—that perfect balance of outdoors, family time, and wellness that defines life here. Our unique campus model lets you effortlessly move between facilities, hitting an early morning yoga class before dropping the kids at swim lessons, or fitting in a quick workout before meeting friends for a weekend hike. Marin living means embracing the outdoors while nurturing meaningful connections. Our four properties within the Marin

Campus offer members thoughtfully designed spaces and programs that complement this lifestyle—whether you're looking for family pool time after a busy week, tennis matches with friends, or a peaceful place to recharge after mountain biking on Tam. We're here for every stage of your Marin journey, from young families to active retirees, creating spaces where your whole life can thrive.

Marin

Bay Club Marin sits at the heart of our community in the Corte Madera Town Center, making it the perfect home base for busy families juggling school drop-offs, a commute, and active lifestyles. The club features a full-sized basketball court hosting both youth and adult competitive programs, helping kids develop confidence and skills here while forging friendships that extend beyond club walls.

Our 60,000 square foot fitness center offers everything from high-energy IGNITE classes to centering yoga and cardio and weights equipment, with spaces thoughtfully designed for every level of activity. Our childcare center is a sanity-saver, creating a space where kids have fun while parents get that essential me-time at the Club.

Bay Club Marin truly understands what Marin families need—convenience without compromise. With the club's central location, you can fit in a workout and meet a friend for coffee all within walking distance. Make it a personal and community space to connect, recharge, and thrive.

Ross Valley

Ross Valley is our tennis-focused hub in the heart of Kentfield, where community and active living come together naturally. The club features beautifully maintained courts with robust programming for all ages and skill levels, making it perfect for families who want to grow their tennis skills together.

Beyond tennis, Ross Valley offers refreshing outdoor spaces where parents can swim laps or relax while kids splash in the pool. Our thoughtfully designed family areas create that perfect weekend vibe—a place where you can spend quality time together without having to plan every detail.

Whether you're dropping in for a quick workout while running errands or spending a leisurely Saturday with neighbors by the pool, Ross Valley feels like an extension of your Marin home.

Rolling Hills

Rolling Hills is a family's weekend happy place, with tennis and pickleball courts, swimming pools, and a Cafe to keep everyone entertained without the need for screens or scheduled activities. The tennis programming rivals private academies, with instructors who know how to develop skills while keeping it fun for all ages.

The outdoor pools are where summer memories happen naturally—kids making new friends while parents catch up poolside. Quick afternoon swims foster meaningful conversations among parents, the kind of natural community-building that happens when you curate the right environment. Rolling Hills blends active living with those recovery moments

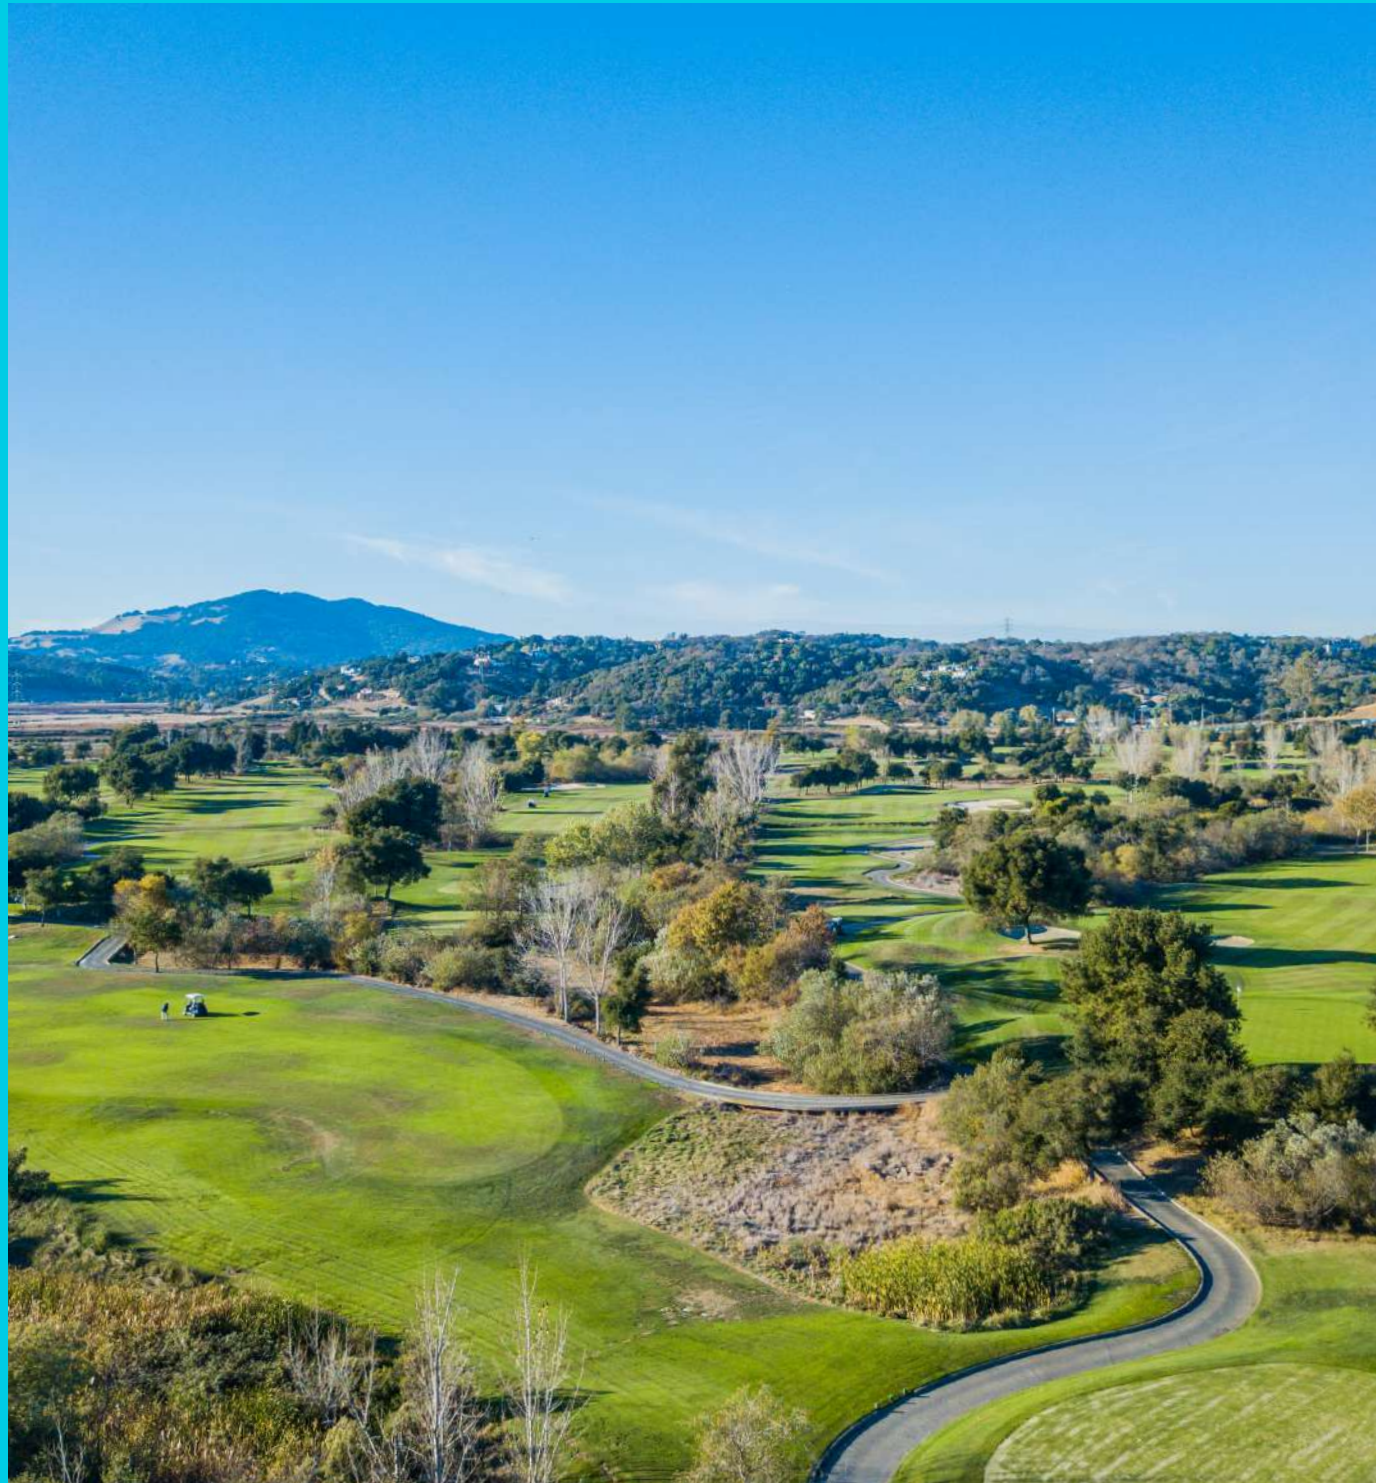

we all need—the steam room and sauna become ritual after a long trail run, while the kids take their weekly swim lessons. You'll find hospitality touches throughout the club to make everyday wellness feel special.

StoneTree Golf Club

StoneTree Golf Club offers that perfect escape into Marin's natural beauty, with rolling fairways and stunning views that remind us why we chose to live here. The 18-hole course itself strikes that rare balance—challenging enough for serious golfers but approachable for those who play for the fresh air and good company.

Our monthly tournament series creates natural opportunities to connect with fellow members—the Point Series for competitive players looking to test their skills, and the Weekend Series for casual golfers who appreciate the laid-back vibe and social atmosphere. Make some of your closest Marin friendships on these fairways, continuing conversations

afterwards over drinks on the terrace. StoneTree breaks down the stuffy country club stereotypes. There's no pretense here—just genuine people enjoying time outdoors in one of Marin's most beautiful settings. The staff will soon know you by name, affirming that small-town, getaway feeling that makes Marin special.
