More than a membership

We're the neighborhood reimagined

Where shared spaces turn into shared moments. Where the daily rituals of community start over a morning cup of coffee in the lounge and continue into a sunset pickleball match on the courts. Where your toughest competition is also your best friend.

And, with over 30 locations from Seattle to San Diego, your membership opens doors to resort-like destinations where you always feel right at home.

➔ **At Bay Club, you're not just joining a membership—you're crafting a community rich with moments that matter. Because belonging isn't a perk; it's the foundation.**

Include All Your Favorite People

Life is better shared

Gone are the days where family is defined by tradition, a household, or even a last name. That’s why we created Shared Membership—to leave behind the notion that any one idea of “family” can define your unique community. Whether it’s with loved ones, friends, neighbors or coworkers, you can tailor your membership to include up to ten people, so you can spend less time finding a shared meeting place and more time enjoying the company.

Built for your lifestyle.
