

PACIFIC NORTHWEST | BAY AREA | LOS ANGELES | SAN DIEGO

Thank you for choosing PRO Club as part of your Microsoft benefits.
Many of your questions can be answered in our [Frequently Asked Questions](#) page but we wanted to answer additional ones here.

Membership Questions

Q: What's new with my Microsoft membership in 2025?

A: Membership now includes access to 11 locations – PRO Club Bellevue, PRO Club Seattle, Harbor Square Athletic Club, 425 Fitness Bothel, 425 Fitness Redmond, 425 Fitness Issaquah, Arena Mill Creek, Arena Redmond, Arena SODO, Arena Magnuson, and Arena Issaquah – with more to come!

A: Arena Sports access is being worked on with more information expected in 2026.

A: PRO Club has also gone through extensive renovations in 2025.

Q: How does Membership Work?

A: Microsoft employees receive a Primary Shared Membership. A Shared Membership is one primary member, with up to 9 additional friends/family under one membership.

- The membership can be shared with anyone without the traditional constraints of living in the same household.
- You, as the primary member, manage the account details, membership changes, and have all financial responsibility.
- As the Primary member, you can add additional members at any time. You can remove a member with a full calendar months' notice. All of this can be done via the Connect App.

Q: What is the cost? A: As an enrollee in the 2026 Perks+ PRO Club option with Microsoft, Microsoft will pay an annual amount of \$1715.72 toward your PRO Club membership (your responsibility will be a \$67 per month cost share). The full value of the annual membership is \$2,514.25 (\$1715.72 paid by Microsoft, plus \$798.54 paid by you). You also have the ability to add any additional 7 people to your membership with the following dues based on age:

- Adult (30-64) - \$155
- Senior (65+) - \$140
- Young Adult (21-29) - \$140
- Junior (13-20) - \$75
- Child (0-12) - \$40

Q: What happens after I enroll?

A: New memberships as part of 2025 Open Enrollment start January 1st, 2026. In December, you will receive an email from PRO Club with instructions to create your membership on the Connect App. This is how you scan into the club, make reservations, etc.

Q: Would there be a fee to add additional members to my Shared Membership?

A: Yes, there is a \$50 processing fee each time you add a member to your Shared Membership. For example, when you add a member to your Shared Membership for the first time the \$50 fee is charged. If you remove that member for a month and then add them back onto your Shared Membership you are charged the \$50 processing fee again. If deciding to convert to a Shared Membership, there is no processing fee to keep any members already on the membership active.

A: The processing fee is also waived during the first month of membership. This will be January for new enrollees in 2026.

Q: Is Tennis included in a Shared Membership?

A: There are no Shared Membership options for tennis. Current tennis memberships will remain the same.

Q: Will I have access to Bay Club locations in other states?

A: Bay Club has membership options available including ones with access to clubs in other states. Please contact the membership team if you'd like to review options.
