

EdisonGrip™ Standard Locking Cable Ties

Reliable, high-strength Nylon 6.6 cable ties designed for fast, secure bundling in industrial, commercial and OEM applications. Excellent chemical resistance and certified performance ensure long-lasting durability indoors and outdoors.

KEY BENEFITS

- **Strong grip** with smooth, low-insertion installation
- **Durable Nylon 6.6** — natural or UV-black (carbon-black UV stabilized)
- **Wide temperature range:** -40°C to +85°C (-40°F to +185°F), short-term to +110°C (230°F)
- **Resistant** to oils, greases, bases & chloride solvents
- **UL94 V-2 flammability**, plenum rated
- **Approvals:** UL 62275 (File E548357), EN 62275:2019, CE, UKCA, TÜV, DNV-GL, RoHS, REACH, PAHs-Free

*All SKU's available in 100 packs
