Club Updates

South Center Court Deck

We're excited to share that the updated South Center Court Deck is nearly complete. With new umbrellas and comfortable seating in place, it's becoming a wonderful spot to watch a match and connect with fellow members. We kindly ask that you refrain from using the deck until the new safety railing is installed the first week of October.

Lower Lounge Lobby

We're in the final stages of updating the Lower Lounge Lobby area, located just outside the Locker Rooms. The refreshed space will open at the end of October, offering a welcoming place to relax, recharge, and connect. Until then, please follow alternate pathways to access the Locker Rooms. We appreciate your flexibility during this final phase.

Sky Deck Coming Soon

One of our most anticipated new spaces is almost here! The Sky Deck will offer a cozy, year-round setting to relax and connect, complete with pergolas, a fireplace, and heating. Look for it to open in mid-November.
