

Patriot Memory is proud to offer their latest memory card built to keep all your memories safe: the EP V90 SXDC. Featuring high-performance SD support for 8K/4K ULTRA HD high-speed photo, 4K video and sequential burst-mode, the V90 memory card is designed for digital filmmakers, professional photographers, and creatives. The V90 memory card supports a wide variety of top-of-the-line cameras from major brands like Sony, Canon, and Nikon for compatibility across the market.

Built with best-in-class components and protected by Patriot's 5-year warranty, the V90 memory card will keep all your memories safe from the toughest condition with its shockproof, temperature-proof, waterproof and vibration-proof exterior.
