

TAB300 32GB USB 3.2 Gen 1 Type-A Dark Shadow - PSF32GT300DS3U

Take on any workload with Patriot Memory's TAB300 USB 3.2 Flash Drive. Featuring high-speed USB 3.2 Gen 1(5Gbps) compatible with prior USB versions, the TAB300 offers powerful performance and transfer speeds perfect for quick transfers of files, photos, videos and music whenever you need them. With compatibility with many current and previous Windows, Linux and Mac operating systems, the TAB300 features FAT32 formatting for strong flash performance.

The TAB300 features an easy to use capless design with a key chain holder, allowing for a convenient plug and play design without the need for a driver. Along with this, the TAB300 features a one of a kind body design in a Dark Shadow colorway. Backed by Patriot Memory's 3-year warranty, Patriot customer service and designed with best-in-class materials, the TAB300 is a reliable flash storage solution built for any professional, content creator or anyone in need of quick and convenient storage.
