XPORTER CORE USB 3.2 Type-A Flash Drive 256GB

Patriot's Xporter Core USB 3.2 Type-A Flash Drive is the latest in premier flash storage built to tackle the workload. Featuring Read speeds of up to 80MB/s, the Patriot Xporter Core allows for strong performance, quick downloads and easy transfers with its high-speed USB 3.2 system for up to 5Gbps. The Patriot Xporter Core is also supported by USB 3.2 Gen 1, allowing for simple compatibility and ease of access with previous USB versions.

Along with its compatibility with many current and previous Windows, Linux and Mac operating systems, the Patriot Xporter Core features an easy to use open cover body and a key chain holder on the end, allowing for easy plug and play access without the need for a driver. Backed by Patriot Memory's 2-year warranty, Patriot customer service and designed with best-in-class materials, the Patriot Xporter Core is a flash storage solution perfect for users of all ages and all types of workloads.
