P.S. 151K's Values & Goals

MISSION STATEMENT:

At P. S. 151K, our mission is to analyze data to help us provide high-quality learning experiences that foster academic excellence, creativity, and social responsibility to our students.

VISION STATEMENT:

The collaborative community of Lyndon Baines Johnson school, P. S. 151K is committed to empower students to become responsible and compassionate individuals who strive for academic excellence in a diverse inclusive environment.

INSTRUCTIONAL FOCUS:

All students will effectively use text-based evidence to support claims, assertions, opinions, and arguments in reading, writing, and discussion, across all content areas, in all classes assessed by student created projects, presentations and performances.

P.S. 151K

Our Engines

Educate:

Provide social, cultural and intellectual instruction and professional learning to increase student-led discussions.

Empower:

Instill the confidence to communicate, create, advocate, collaborate and the ability to make decisions.

Excel:

Encourage, establish and maintain an environment where students are driven to become proficient and strive to perfect critical thinking skills in all areas of study and promote discourse.

Goal:

To continue to strengthen student-led discourse in all content areas.

AI is changing how our children:

- Learn and think
- Communicate
- Navigate everyday life

Together we'll take an honest look at what:

- AI can and cannot do
- AI's impact on learning and development
- What's at stake for our children's privacy, critical thinking, and well being
- What happens when technology does too much of the thinking for a developing mind

You'll leave with greater confidence, practical information, and tools to have these important conversations with your child.
