

Integrated Health Case Management

What can case management do for you?

- Assist with completing benefit enrollment and applications (Medicaid, SNAP, SSI, Tribal Enrollment, region funding)
- Assist with referrals to various departments within PTN (Medical, psychiatry, domestic violence, vocational training, etc.)
- Be a liaison between you and other agencies
- Assist with obtaining birth certificate, identification cards, or drivers' license
- Assist with obtaining and maintaining employment, budgeting, and time-management
- Assist with finding and obtaining resources from outside agencies (Salvation Army, St. Vincent DePaul, Good Neighbors, Community Alliance, etc.)
- Transportation (On and off-site appointments, food pantries, job interviews, etc.)
- Assist with obtaining any needed substance abuse and mental health services

Servicing ALL Native Americans regardless of tribal affiliation.
