SUMMARY

Emerging architectural professional with experience working in both international and domestic environments. Strong background in schematic design, construction documents, and one-on-one collaboration. Proven ability to take ownership of projects from concept through permit-ready drawings. Experienced in commercial, hospitality, and residential projects. Eager to grow and contribute immediately to production and design efforts.

PROFESSIONAL EXPERIENCE

Design Intern, Inno Architektura

October 2023 - December 2023 (Zakopane, Poland)

Led the design development of a single-family residence from concept through construction documentation, project set to break ground in 2026.

Worked directly with the principal architect in a small studio setting, gaining exposure to communication and design decision making.

Wood Framing Assistant (Seasonal)

October 2019 - Current (Chicago, Illinois)

Assisted in residential wood framing, deck construction, and roof reconstruction on single-family homes, including post-fire structural repairs.

Gained hands-on experience with tools, materials, and jobsite coordination.

Founder, DrinkYerba™

April 2024 - Current

Founded and scaled a consumer brand, overseeing visual identity, branding, marketing strategy, and storytelling.
