Osceola Anglers High School Fishing Club, Inc.

Investing in our Youth---An Investment in the Future

Dear Friend of the Community,

On behalf of the Osceola Anglers High School Fishing Club, I am pleased to invite you and your company to partner with us as a sponsor for the 2026-2027 Fishing Season. The Osceola Anglers is a non-profit organization dedicated to creating a welcoming environment where high school students can learn and share experiences in and out of the sport of fishing. Our goal is to instill values and character through outdoor life experiences, promote environmental awareness, encourage outdoor ethics, foster personal responsibility, and help students achieve their goals—all while having fun.

The mission of our club is to provide a competitive tournament fishing experience, while also providing an environment for high school students to take responsibility, learn how to communicate and run a productive meeting. We will offer the opportunity to learn, to newcomers to the sport, as well as experienced anglers. Our club is designed to teach new techniques, methods and ideas related to bass fishing and illustrate how science plays a significant part in fishing. Our “team” tournament style helps build strong and lasting friendships between our members, and our members will also learn social skills and to take pride in their own work, as they conduct their own meetings and establish committees to achieve goals. Most importantly, our goal is to have fun and catch lots of fish.

The purpose of the Osceola Anglers High School Fishing Club is to promote, stimulate, and encourage high school students in the art of bass fishing through education of proper techniques, ethics, and sportsmanship. We will stress the importance of “catch and release” and guide our members accordingly in the conservation of our aquatic and natural resources. We will strive to develop life and leadership skills while fulfilling all the responsibilities owed to our community and state, enhancing one’s skills in the further development of youth competitive and recreational fishing. We will also encourage strong academics and strive to provide scholarship opportunities for our members.

Your sponsorship will assist with the high costs associated with operating this club, such as insurance, jerseys, equipment (scales, lures, fish bags), trophies, and operational expenses.

We sincerely hope that you and your company will find a comfortable level of sponsorship for the Osceola Anglers High School Fishing Club, Inc. Your commitment and support will leave a lasting impression by helping fulfill the hopes and dreams of our local high school students in Osceola County.

Please accept our heartfelt THANK YOU for your time, consideration, and support.

If you have any questions or need additional information, please feel free to contact us. We look forward to hearing from you soon.

Sincerely,

Osceola Anglers

Angler sponsorships are used for the Club, not an individual angler. Each angler is required to obtain one individual or business to support our mission and purpose each year they participate in the club.

If it were not for the individuals and businesses who support Osceola Anglers, we would not be able to provide this opportunity to the high school students.
