Shark Tank

POST COVID

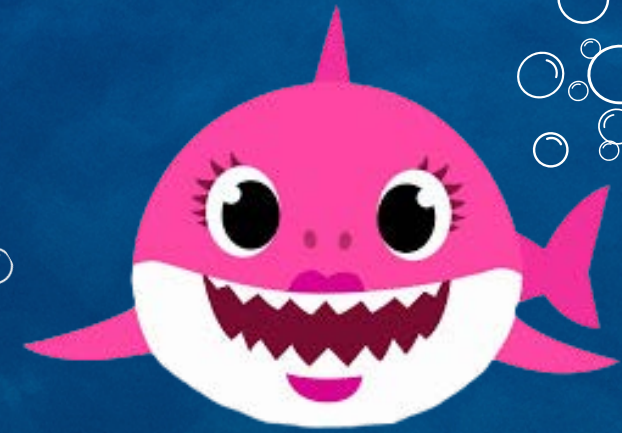

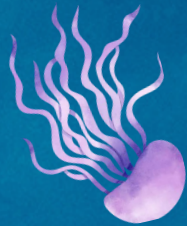

*Introduction to
Principle of Business &
Marketing classes*

Project Guidelines

Previous Work

- Completed chapters on Economics, HR, Marketing, Careers, Management & Leadership, Production & Business Operations, Entrepreneurship, and Social Responsibility
- Understand the significance of fonts and colors
- Completed two (2) oral presentations using Canva, PowerPoint and Google Slides

Capstone Project

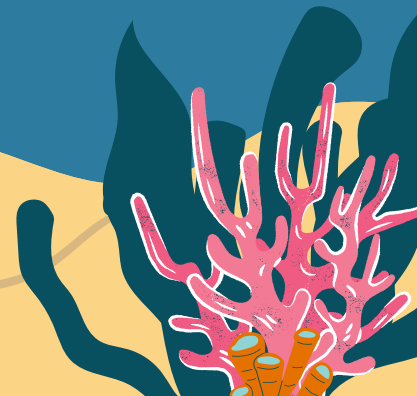

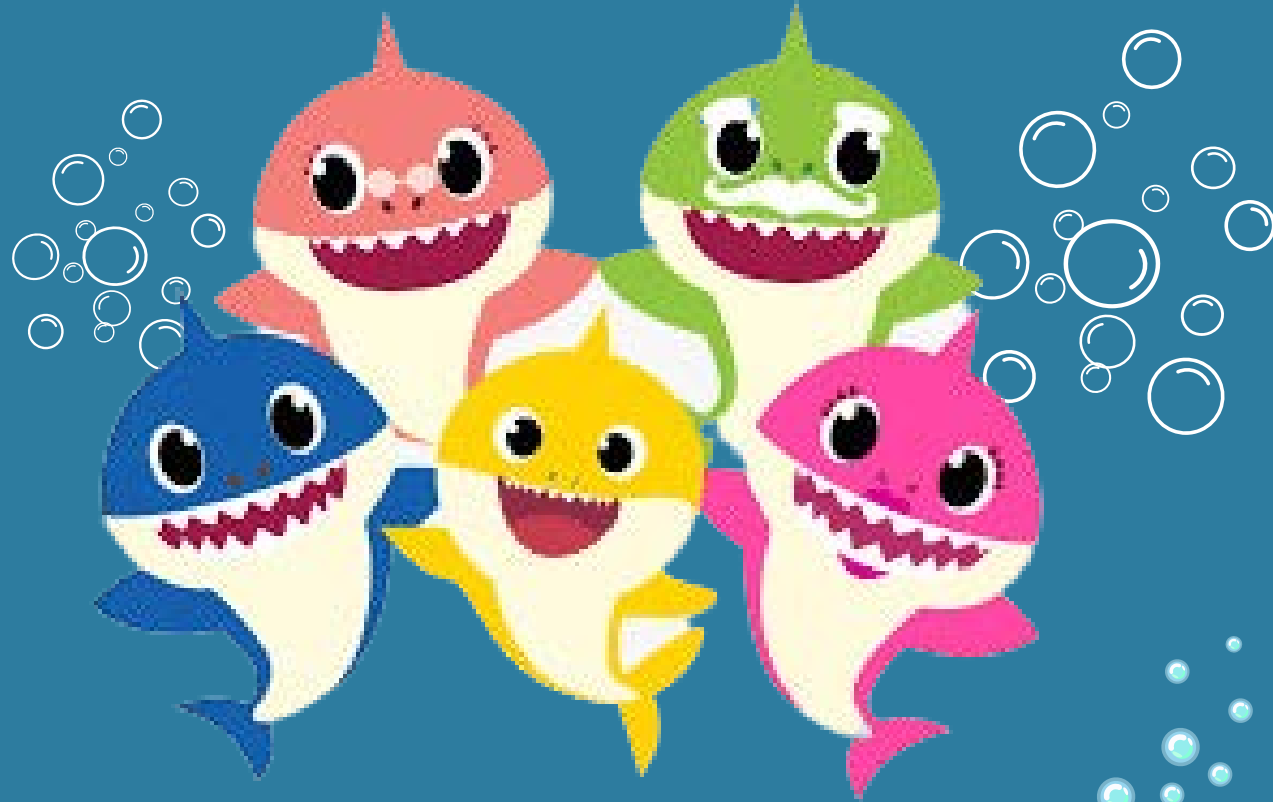

- Students have a number of weeks to complete
- Students work in groups of 3-5
- Group Meetings with the teacher each week
- Must present as group
- Final Exam is a paper (DECA EIP/ESB)
- Encouraged to collab with CTE classes

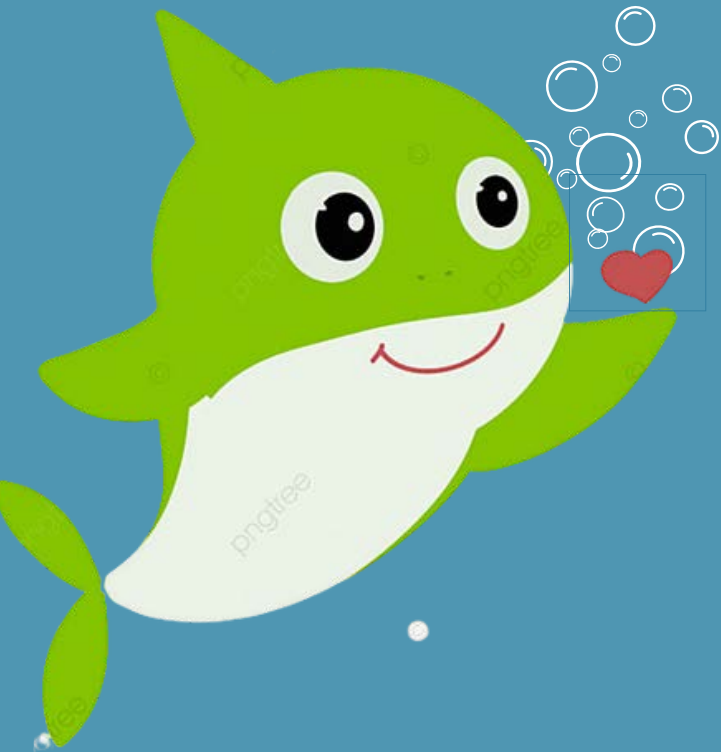

Students who are removed from their group

- The student(s) were notified in person and by email
- Parent contacted
- The alternate assignment is Franchise Business Plan (EFB)
- Same requirements (Presentation and Paper)

THE CREATION OF BABY SHARKS

Teacher shortage
Business personnel shortage

Top Performing and
DECA/Alumni Students

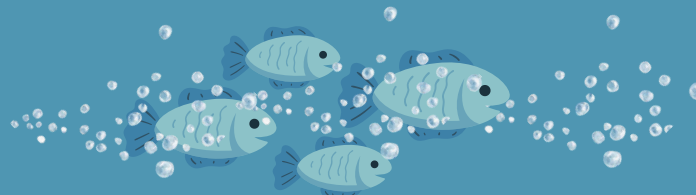

Turned sharks

Innovation/Start-up Plan
Rubric for grading

Students respect their peers

Shark students gain more confidence
