- **Maximum Equity:** Teams may not invest more than 20% of their Total Equity multiplied by 1.5 in any one security. If a security in a team’s portfolio increases in value and places the investment beyond 20% of their total equity multiplied by 1.5, they will be able to retain their shares but unable to purchase additional shares of that security.
- **Asset Diversification:** Each team must make investments of at least \$10,000 per asset class (stocks, mutual funds and bonds) by the Asset Diversification Date and hold the investment until the end of the competition. If teams sell some or all of an asset class position after the Asset Diversification Deadline, they must make an investment in the same asset class totaling a holding of \$10,000 within one business day to remain diversified. If the value of an investment decreases below the \$10,000 minimum, teams do not need to invest more. Teams can confirm they are diversified by adding the Net Cost of their investments per asset class (minus the \$5 transaction fee) on the Account Holdings page. Team portfolios will be subject to periodic random review to confirm the \$10,000 investment per asset has been maintained. Please note that all ETFs (including bond ETFs) are classified as stocks, all bond mutual funds are classified as mutual funds, and only long stock positions count towards the stock diversification requirement.
- **Team Portfolios:** Each team must complete their own research and portfolios must be distinct and reflect the individual team’s investment strategy. Portfolios are subject to review, and any violation may result in disqualification from the Collegiate DECA Stock Market Game. Final determination of disqualification from the Collegiate DECA Stock Market Game rests solely with the SIFMA Foundation.
- **Rankings:** A record of a team’s portfolio and transactions will be available daily, subject to overnight portfolio processing. A team will not receive a portfolio ranking nor be listed in regional rankings until its initial transaction is entered successfully. Rankings will be determined based on a portfolio’s Percent Return as compared to S&P 500 Growth for the time period of the competition. Please note that final rankings are determined net of any borrowed funds regardless of whether portfolios are liquidated at the end of the competition.
- **Recognition:** The top teams that abide by all Collegiate DECA Stock Market Game program rules, guidelines, Code of Participation and Code of Conduct will be submitted to DECA. Only students submitted before the Student Name Submission Deadline are eligible to rank. No substitutions or additions to teams will be allowed after the Student Name Submission Deadline has passed.
- **Portfolio Deletion:** Portfolios will be available for retrieval until the Portfolio Deletion date. Please make sure to save all relevant portfolio data before then.
