3/NQR

Install Cash 365 in 36.5 seconds or less

Prerequisites:

- Active Microsoft Dynamics 365 Business Central subscription.
- · Administrator rights in Business Central.
- · Internet access.

Step-by-Step Installation

Install from Dynamics 365

- Log into Dynamics 365
 Business Central as an administrator.
- Navigate to Extension
 Management → AppSource
 Catalog.
- 3. Search for "Cash 365".
- 4. Select **Install App** and follow the wizard.

Microsoft AppSource

- 1. Visit Microsoft AppSource.
- 2. Search "Cash 365".
- 3. Click "Buy now", select your plan and billing details.
- Finalize purchase; the installation will start automatically.

Direct via BANQR

- 1. Visit BANQR.
- 2. Request a quote or demo version.
- 3. Receive your license key and follow guided setup.

Install Today, Transform Tomorrow

Quickly set up Cash 365 and unlock streamlined financial processes, secure transactions, and complete visibility of your business finances—all within minutes.
